RE: 2024-2025 Misreporting Student Count

During the review of our most recent WISE DATA student count, we noticed the occurrence of one error. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address any discrepancies discovered.

After conducting a comprehensive review, we have discovered that 1 of our students that had previously been a Choice Student has transferred to a Public School. In our RenWeb/FACTS SIS the student was removed as a Choice Student, but is still in our Snap Shot Count for April 2025.

Blessings,

Michele Riesterer
