To Whom It May Concern:

It has come to our attention that an error occurred in reporting students' economically disadvantaged status during the December 2024 Snapshot. As part of our commitment to transparency and accuracy, we want to promptly acknowledge and address this discrepancy.

Upon reviewing our reporting setup in Infinite Campus, we discovered that the Ed-Fi mapping for the "Economically Disadvantaged" status was inadvertently removed just before the snapshot date. This issue has since been corrected, and the data is now being reported accurately.

Please accept this letter as official notification of the data error. We regret any inconvenience this may have caused and appreciate your understanding.

Sincerely,

A handwritten signature in blue ink that reads "Sue Simpson Bark".
