RE: 2024-2025 Misreported Student Counts

This letter is to correct the School District of New Lisbon’s Third Friday in September Count and / or the Economically Disadvantaged (ED) Student Count (at the time of the WISEdash December Student Snapshot).

During the review of the December 2024 snapshot report, we noted the occurrence of some errors. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discovered discrepancies.

The following school(s) had incorrect data captured in the official WISEdash snapshot:

School Code	School Name	TFS Count Ages 3-21	TFS Count Grades K-12	ED Count ** Ages 3 -21	ED Count ** Grades K-12	ED Count ** Grades K-3
3948	New Lisbon Elementary					8

The correct Third Friday in September / Economically Disadvantaged (ED) student counts for the school(s) are:

“Graduating Every Student, College, Career, and Community Ready”

School Code	School Name	TFS Count Ages 3-21	TFS Count Grades K-12	ED Count ** Ages 3 -21	ED Count ** Grades K-12	ED Count ** Grades K-3
3948	New Lisbon Elementary					87

*** This is the count on the day of the WISEdash December Student Snapshot.*

We believe the error occurred due to typing error on report neglecting to add the number 7 after the 8.

Please accept this letter as official notification of the data error.

Sincerely,

Stephanie Moore

New Lisbon Elementary Principal

RE: ~~24-25~~ Misreported Student Data

During the review of the December 2024 snapshot report, we were notified by DPI of a potential error. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discovered discrepancies.

After conducting a comprehensive review, we noted that most of our students were incorrectly counted in the December snapshot. The export of the data reveals that our actual percentage of Economically Disadvantaged students is 62.1%

December Snapshot reported 5.8% students Actual Percentage 62.1%

Historical data shows that our Economically Disadvantaged student count is consistently at or above 50%.

Please accept this letter as official notification of the data error.

Yours Truly,

Lisa M. Anderson
District Accountant / SIS Administrator
