RE: 2024-2025 Missing Student Data

During the review of the December 2024 snapshot report we noted the occurrence an error that came to our attention. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address this discrepancy.

The December 2024 snapshot report showed 1 student missing the disability data on the count date.

After conducting a comprehensive review we discovered the student was parent placed private in the public school receiving services for a speech or language impairment. The classroom teacher confirmed the student does receive speech therapy through the Beaver Dam School District. We republished the data.

December snapshot reported: 1 choice student missing disability status.

Please accept this letter as official notification of the data error.

Yours Truly,

Jennifer L. Weiss

RE: 2024-2025 Misreported Student Data

During the review of the December 2024 snapshot report we noted the occurrence of some errors that came to our attention. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discrepancies.

The December 2024 snapshot report showed ELP Codes were misreported data on the count date.

ELP Codes were verified with the public school ELL department, and adjusted accordingly in our SIS. We republished the data.

December snapshot reported: Two choice students with incorrect ELP codes. Two student ELP codes have been corrected.

Please accept this letter as official notification of the data error.

RE: 2024-2025 Missing Student Data

During the review of the December 2024 snapshot report we noted the occurrence of some missing data that came to our attention. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discrepancies.

After conducting a comprehensive review we discovered DPI is asking for native tribal association; however, our current SIS does not have the ability to enter that information.

December snapshot reported: 0 choice students with native tribal association, two choice students with tribal association was acknowledged.

Please accept this letter as official notification of the data warning.

RE: 2024-2025 Misreported Student Data

During the review of the December 2024 snapshot report we noted the occurrence of some errors that came to our attention. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discrepancies.

The December 2024 snapshot report showed 47 students missing the food service association data on the count date.

All 47 student's lunch status was verified. We republished the data. We contacted the SIS vendor to launch an investigation as to why the data did not publish.

December snapshot reported: 0 choice school food service program participants, actual choice participants: 47.

Please accept this letter as official notification of the data error.
