RE: [2024-2025] Misreported Student Counts

This letter is to correct the School District of Luxemburg Casco's October 1 Child Count data.

During the review of the December [2024] WISEdash December Student snapshot report, we noted the occurrence of some errors. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discovered discrepancies.

DPI's WISEdash snapshot recorded a count of 290 students, ages 3 to 21, on the October 1 Child Count for the [2024-2025] school year. The correct [2024-2025] October 1 Child Count number, ages 3 to 21, should be [291].

This error occurred because a student was marked as a privately placed private student in our SIS, which is incorrect. We need to add her to the October 1 count.

Please accept this letter as official notification of the data error.

Sincerely,

Gretchen Bink
