RE: 2024-2025 Misreported Student Data

During the review of the December 2024 snapshot report, we noted the occurrence of some errors. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address these discovered discrepancies.

After conducting a comprehensive review, we noted that 2 students were unaccounted for in the December snapshot. DPI's WISEdash snapshot shows a count of 42 students on the October 1 Child Count for the 2024-2025 school year. The correct WISEdash October Child Count should be 44.

Please accept this letter as official notification of the data error.
