Category: October 1 Child Count - Parentally-Placed Private School Students with Services Plans (PPP)

RE: [2024-2025](#) Misreported Services Plans Counts on IDEA Flow-through Parentally Placed Private Student Count.

This letter is to correct the School District of [Reedsburg's](#) parentally-placed private school students with services (PPP) IDEA Flow-through count data.

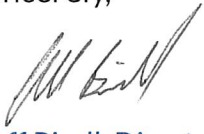

During the review of the December [2024](#) WISEdash December Student snapshot report, as reported on the IDEA Flow-through Parentally Placed Private student count, we noted the occurrence of an error. The October 1 Child Count reported by the LEA and recorded in WISEdash was correct; however, there was a data entry error associating students as parentally-placed private school students with services plans indicated on the IDEA Flow-through Parentally Placed Private count number.

DPI's WISEdash snapshot recorded a count of [45](#) parentally-placed private school students with services plans on October 1 for the [2024-2025](#) school year. The correct October 1 Services Plans count should be [45](#). However, the IDEA Flow-through Parentally Placed Private student count for students ages 6 to 21 was [36](#).

- The October 1 Services Plans counts for parentally-placed private school students ages 3, 4 and 5 should be [10](#).
- The October 1 Services Plans counts for parentally-placed private school students ages 6 to 21 should be [35](#).

Please accept this letter as official notification of the data error.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeff Bindl".

Jeff Bindl, Director of Pupil Services
