RE: 2024-2025 Misreported WISEstaff Data

An employee created two ELO accounts resulting in two entity numbers. The employee was granted a Special Education Program Aide License under one account. The wrong entity number was first entered into WISEStaff then corrected. The audit process did not pick up the corrected entity number.

- Anna Vermett
- Incorrect Entity #914171
- Correct Entity #914376
