RE: 2024-2025 Misreported WISEstaff Data

It has come to our attention that one member of our staff had their position reported incorrectly. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address any discrepancies discovered.

Karen Brockman was reported as a Reading Specialist which requires a 317 license. Karen currently serves in a Reading Interventionist role with Hartland-Lakeside School District which requires a 316 license not as a Specialist.

Please accept this letter as official notification of the data error.

Yours Truly,

Tina Vogelmann
Superintendent
