RE: 2024-2025 Misreported WISEstaff Data

Briefly describe the overarching issue/s with your LEA's WISEstaff data:

- Assignments reported

Chelsea Pipkorn was initially reported in the 2024–25 school year with a developmental level of K–4. After review and discussion with her supervisor, it was clarified that her assignment was with kindergarten only and that the correct developmental level should be Birth–Grade 3 Early Childhood.

This has since been corrected. When Chelsea applied for her License with Stipulations in 2025, the developmental level was accurately recorded as Birth–Grade 3 Early Childhood, which aligns with her current Kindergarten teaching assignment.
