RE: 2024-2025 Misreported WISEstaff Data

It has come to our attention that there was an error in the reported job assignment for educator Morgan Burris (675672) in the WISEstaff submission for the 2024–2025 school year.

Morgan Burris was incorrectly reported as:

- .40 Elementary School Special Education KG;01;02;03;04;05
- .20 High School Special Education 09;10;11;12
- .40 Middle School Special Education 06;07;08

Morgan Burris actually had the following teaching roles for 2024-2025:

- .60 Middle School Special Education 06;07;08
- .40 Elementary School Special Education grades 04;05

Please accept this correction as part of our WISEgrant funding application. We appreciate your attention to this matter and thank you for your assistance.
