RE: 2023-2024 & 2024-2025 Misreported WISEstaff Data

Briefly describe the overarching issue/s with your LEA's WISEstaff data:

- Our ELL teacher was misreported on the WISEstaff report for the 2023-24 and 2024-25 school years.

Identify the issues more specifically:

*Kylie Brocker should have been reported as an ELL teacher for the 2023-24 & 2024-2025 school years. She was mistakenly reported as support staff in a non-instructional role.*

Please accept this letter as official notification of the data error.
