RE: 2024-2025 Misreported WISEstaff Data

It was brought to our attention that Joshua Sween's (Entity ID 687718) highest degree reported on the 2024-2025 WISEstaff 1202 report is incorrect. This data for Mr. Sween has been incorrectly reported in previous years' reports as well. It was reported that Mr. Sween's highest level of education is a Doctorate, it should have been reported that his highest level of education is a Master's degree.

Please accept this letter as official notification of the data error.

Sincerely,

Peter Hibner
Assistant District Superintendent
