RE: 2024-2025 Misreported WISEstaff Data

An error was made in reporting an incorrect assignment for Tiare Jeske on the 2024-2025 fall staff report. She was reported as assignment code 53 (0800 Cross Categorical Special Education Teacher), when in fact, she should have been reported as a code 96 (0870 Instructional-Education Paraprofessional). Tiare is a paraprofessional in grades 6, 7 and 8.

Sincerely,

A handwritten signature in black ink that reads "Casey Fossum". The signature is written in a cursive style with a long horizontal flourish at the end.

Casey Fossum
PreK-12 Principal
