RE: 2024-2025 Misreported WISEstaff Data

To whom it may concern:

Please accept this letter as official notification of the data error. The salary and benefits of \$75,569.40 for Cindy Sikorski were accurate. There was a discrepancy in her license number, as two individuals named Cindy Sikorski were listed in the license database. Our understanding from the previous year was that these were the same individual, and the numbers have been merged by the DPI. We inadvertently retained the incorrect number in our software (Entity Number: 895191) and have since updated it to reflect the current license held by Ms. Sikorski (Entity Number: 709309).

Please accept this letter as official notification of the data error.

Yours Truly,
