RE: (2025-2026) Zero Enrollments covering the Third Friday of September (TFS) for this school

This letter is to report missing data for St. James Lutheran School (Shawano)'s Third Friday in September Count (at the time of the WISEdash December Student Snapshot).

In the weeks leading up to the December 9, 2025 Snapshot, we noticed Validation Error 7105-Zero Enrollments covering the Third Friday of September (TFS) for this school in WISEdata Portal. To attempt to resolve this error, we contacted our SIS vendor, FACTS. Our SIS account manager communicated to us that they were working on resolving the errors and tried multiple times to run validations, but as of the time of the snapshot the errors still existed in WISEdata Portal.

Please accept this letter as official notification of the data error.

Sincerely,

A handwritten signature in black ink that reads "Nathan Belongia". The signature is written in a cursive style.
