Re: 2025/2026 Misreported Oct. 1 Child Count

This letter is to correct the School District of Kaukauna's Oct. 1 Count data. After the snapshot, we had a student unenroll. Their enrollment was backdated to the first week of school and should not have been included in the Oct. 1 Count data. As part of our commitment to transparency and accuracy, we believe it is essential to promptly address this discovered discrepancy.

DPI's Wisedash snapshot recorded a count of 701 students on the Oct. 1 Child Count for the 2025/2026 school year. The correct 2025/2026 Oct. 1 Child Count number should be 700.

Please accept this letter as official notification of the data error.

Sincerely,

Holly Parks  
Kaukauna Area School District Database Engineer
