SFA Name:	Bangor School District
SFA Code/ ID Number:	320245
Administrative Review Conducted on:	Thursday, May 3, 2018

The purpose of this spreadsheet is to inform you of the results of the Administrative Review that was conducted on May 3, 2018; an exit conference summarizing the findings took place on the same day.

The Administrative Review (AR) is a comprehensive evaluation of the Local Education Agency's (LEA's) National School Lunch Program (NSLP) and School Breakfast Program (SBP). The AR consists of two performance standards. While findings were identified, the two performance standards reviewed were found to be satisfactory. During the Administrative Review, compliance with the new meal pattern requirements is also evaluated, at this time there are no menu findings that warrant the termination of the performance based reimbursement.

Section 207 of the Healthy, Hunger Free Kids Act amended section 22 of the NSLA (42 U.S.C.1769c) to require State agency to post a summary of the most recent final administrative review results for each SFA on the State agency's publicly available website, and the SFA is strongly encouraged to post a summary on the SFA's public website. To meet this requirement, a copy of the full Administrative Review Summary Report will be posted on the School Nutrition Team website at <http://dpi.wi.gov/school-nutrition/national-school-lunch-program/administrative-review> within 30 days of the SFA receiving the final AR report.

This summary includes a comprehensive list of the technical assistance that was provided throughout the review as well as all findings that require a written response from the SFA. All items listed on the red Corrective Action tabs (Menu and Review) require a written response and must be submitted in writing to CN Resource, by **June 14, 2018**. Please complete the responses electronically. If any additional responses are needed, please respond on district letterhead. In addition to responding to the findings please ensure that additional training is provided to all staff to bring all finding areas into compliance. Failure to submit the required materials by the due date may result in the withholding of claims. Should corrective actions not be submitted, a follow-up review may take place to ensure all required corrective actions were completed and implemented system-wide as appropriate.

Fiscal action is required to be calculated per 7 CFR 210.18 for critical violations to reclaim unearned reimbursement. In addition, withholding of program payments is required if documentation of corrective action is not received within 30 days of the date negotiated at the exit conference, or as later extended upon written request if extraordinary circumstances delay completion of corrective action within the originally negotiated timeframe. Uncorrected errors are subject to reclaim for the entire school year.

Any potential fiscal action will be calculated once the corrective action responses have been received and approved. You have the right to appeal the denial of all or part of a claim for reimbursement or withholding of funds. If applicable, appeal rights will be provided with the notification of the fiscal action calculation. Please note, there is the possibility of a follow-up review should corrective action not be completed or to verify corrective action was completed system-wide, as appropriate.

I appreciate the courtesies extended by you and your personnel during the review. If you have questions or need assistance concerning the school food service program, please call our office.
