

FRESH FRUIT AND VEGETABLE PROGRAM

GRANT APPLICATION INSTRUCTIONS SCHOOL YEAR 2020-2021

The Fresh Fruit and Vegetable Program (FFVP) application for school year 2020-2021 will open on **March 2, 2020**. Applications must be fully submitted online, with the signed participant agreement form, **no later than April 10, 2020**. Schools will not be able to submit an application or upload the signed participant agreement form after this date. Read through all of the instructions before starting the application. As a reminder, the FFVP grant must be applied for annually. Multiple schools from a district may apply; however, a separate application must be submitted by each school and not all applicants are guaranteed to be awarded.

Applications Must Include

- A plan for implementation and operation of the program that includes a partnership with one or more entities that provide non-federal resources for the acquisition, handling, promotion, or distribution of fresh fruits and vegetables; or other support that contributes to the purposes of the program, such as nutrition education;
- An agreement form signed by the food service director, the school principal, and the district superintendent or equivalent positions, as determined by the school; and
- A show of a continuing emphasis on student health and wellness.

You may exit the application at any time and re-enter it prior to the deadline. The information that is entered into the application is saved automatically after clicking “Continue” at the bottom of each page.

To gain access to a submitted application prior to the deadline, contact one of the Wisconsin FFVP coordinators listed below. The “Site Application Preparer/Enterer Information” page will need to be completed each time the application is re-entered.

Note that the online services site will time-out if remaining on a page for too long as a security measure. If that happens, you will lose the information entered on that screen and will need to log back in and re-enter the information. Please use these instructions to plan responses before logging into the online application.

If you have any questions, comments, or problems during the application process, please contact:

Michelle Zvonar
FFVP Co-Coordinator

Overview of Program Eligibility

1. Schools must operate the National School Lunch Program (NSLP).
2. Schools must have **50 percent or higher** free and reduced-price meal eligibility, or Community Eligibility Provision (CEP) equivalent. This will be based on October 2019 data.
3. Schools must be **elementary** schools or have the ability to separate out elementary students in a K-12 program.
4. Schools must be a Team Nutrition school.
 - To check if a school is already a member of Team Nutrition, go to the [Team Nutrition Schools](#) page. For best search results, search by zip code or city and state. After you click on “Search,” the results will appear grouped by state below the search form. Click on “Wisconsin” to see all of the schools matching your search terms. If you believe you have previously enrolled in Team Nutrition but are not found in the database, please re-enroll.
 - To join Team Nutrition for free, complete the [Team Nutrition School Form](#).
5. Schools must agree to offer fresh fruits and vegetables to all enrolled students free of charge during the school day, a minimum of **two** days per week, at a time other than meal service periods.
6. Schools must develop budgets for the first and second allocation of the grant and submit monthly claims for reimbursement of program expenses.
7. Schools must agree to abide by all of the requirements for administering the FFVP, as stated in Section 19 of the Richard B. Russell National School Lunch Act, as well as adhere to all guidance and regulations provided by the United States Department of Agriculture (USDA) and the Wisconsin Department of Public Instruction (DPI).

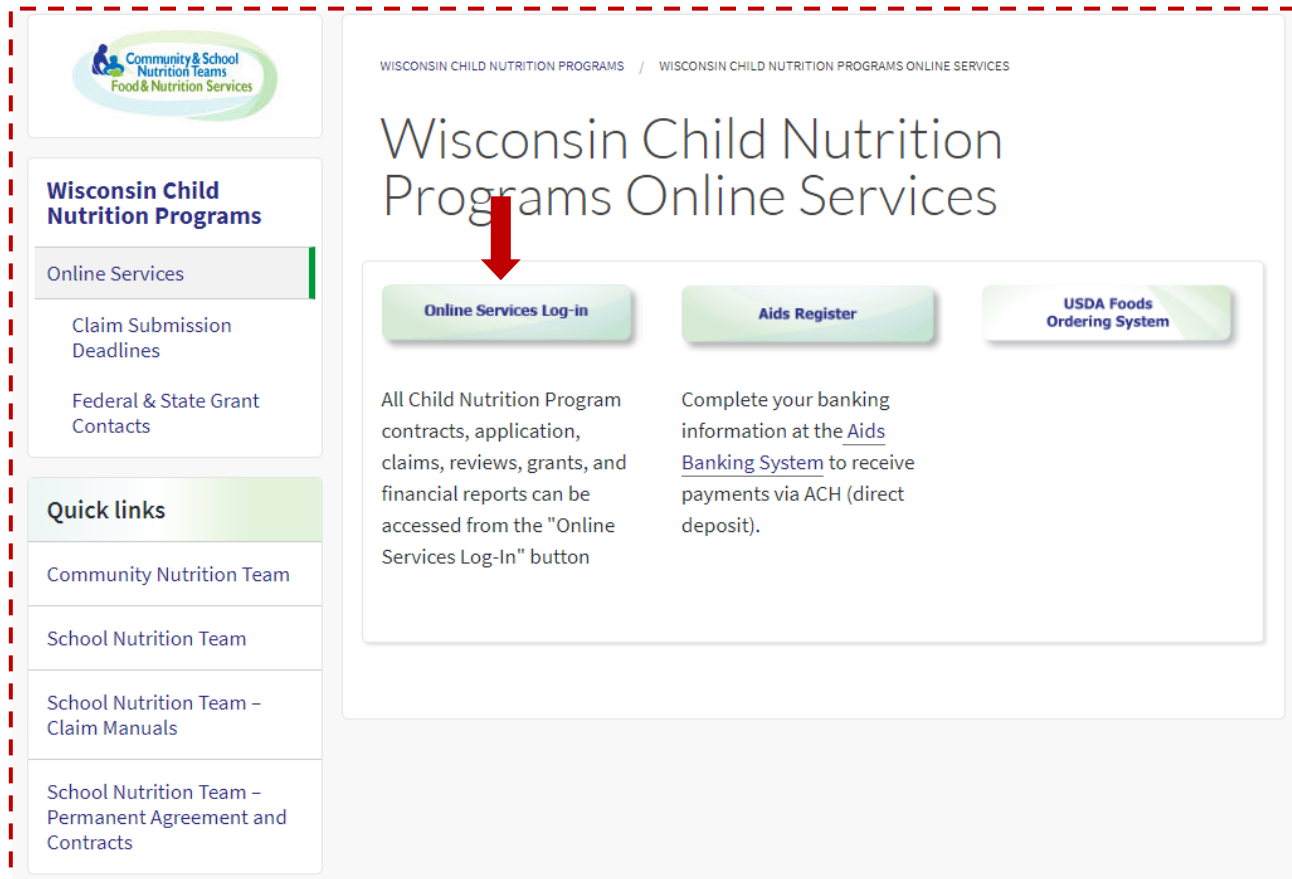

BEFORE APPLYING:

Schools are advised to read through the [USDA's FFVP Handbook](#).

A variety of other program resources can be found on DPI's [FFVP](#) webpage.

Logging into Wisconsin Child Nutrition Programs Online Services

1. Go to the [Wisconsin Child Nutrition Programs Online Services](#) webpage.
2. Click on the “Online Services Log-in” button.

3. You will be taken to a log-in screen where you will enter your agency code (*do not use hyphens or spaces; use only the numerals in the agency code*) and your agency specific password. If you do not know your agency code and/or password, contact your Food Service Director or Authorized Representative as listed on the school nutrition contract.

Navigating the Menu Options

1. Select the “School Nutrition Program” tab,

2. Select the “Grants” tab,

3. Select the “Fresh Fruit Vegetable” tab,

4. Then select the “Application/Budget 2020-2021” tab.

5. A list of all elementary schools on the School Food Authority’s (SFA) school nutrition contract will be displayed. Multiple schools from the same SFA can apply, but a separate application is required for each school. This page will also show you the date the application was submitted and the status of the application. If an application for school year 2020-2021 has not been submitted yet, these columns will appear blank.

Submitting an Application

1. Select the school you would like to submit an application for and click “Continue.”

3. The first page of the application gathers general information about your SFA. Some of this information will auto-populate directly from your SFA’s 2019-2020 online school nutrition contract. If any of the information that auto-populates is incorrect, the online contract may need to be updated. When a drop down list is available, select your response from the list provided. See the next page of this document for additional details.

If any of this information is incorrect, please update your contract with the School Nutrition Team.

- **District/SFA Administrator:** You will need to enter contact information for your District/SFA Administrator or equivalent. Note that the District/SFA Administrator may be different than your SFA's Authorized Representative.
 - **Program Coordinator:** The person that is entered as the FFVP Program Coordinator will be the main contact for the program in your SFA. If several schools in your SFA are applying for the program, you will have the opportunity to designate a site-specific program coordinator later on in the application.
 - Enter the remaining information and then click "Continue" to proceed.
4. On the next page, fill in the contact information for the person that is submitting the application. A valid email address is required. Automatic emails related to the status of the school's application will be sent to the email address provided here. Click "Continue" to proceed after the information for the application preparer has been entered.

- The site name and address will auto-populate from your online school nutrition contract. If this information is changing in school year 2020-2021, you have the option

to enter changes under “Site Information if different from contract (optional).” Note that this area should be left blank if there are no changes.

- **Principal Information:** Enter contact information for the site’s principal.
 - **Program Coordinator Information:** The Program Coordinator information that was entered on the district general information page will auto-populate here. Leave the information as it is if the district Program Coordinator is the same as the school Program Coordinator. If you would like to designate a different Program Coordinator for this school, you will be able to delete the information that auto-populated and replace it with different contact information.
6. The next page collects meal details for the applicant school. Once all of the information has been filled in, click “Continue” at the bottom of the page.

The screenshot shows a web form titled "Meals Details". The form is divided into several sections:

- Team Nutrition School:** Radio buttons for "Yes" and "No".
- Building Type:** A dropdown menu showing "Elementary School".
- Building Grade Levels Served:** Two input fields labeled "From" and "To", with "K4" and "05" entered respectively.
- Building Enrollment:** An empty input field.
- Are the grade levels served FFVP at this site the same as the building grade levels?:** A checkbox with the text "(Check this box if Building Grade levels and FFVP grade levels are same)".
- Grade Levels Served FFVP:** Two input fields labeled "From" and "To".
- Enrollment of Grade Levels Served:** An empty input field.
- Please provide an explanation if:** A text area with a small note: "Enrollment of grade levels served is different than building enrollment (example: K-12 building serving K-5 students FFVP), and/or if school's enrollment and/or number of children approved for free and reduced priced meals per the current school year's October claim as listed in the Enrollment & Participation Report (<https://dpi.wi.gov/school-nutrition/program-statistics>) are incorrect."
- Does this site participate in the Community Eligibility Provision(CEP)?** Radio buttons for "Yes" and "No".
- Meals Offered (Check all that apply):** Three checkboxes: "NSLP", "SBP", and "After School Snacks".

At the bottom center of the form, there is a blue button with a white arrow and the text "CONTINUE", which is circled in red.

- **Team Nutrition School** - Participating schools are required to be a Team Nutrition school. Return to page 2 of this document for more details. Once it has been determined that the applicant school is a member of Team Nutrition, click “Yes.”
- **Building Type** - This information will auto-populate from the online contract.
- **Building Grade Levels Served** - This information will auto-populate from the online contract.
- **Building Enrollment** - Enter the total student enrollment as of **October 31, 2019** for the applicant school based on the grade levels that have auto-populated from your contract.
- **Are the grade levels served FFVP at this site the same as the building grade levels?** If the building grade levels and the building enrollment are the same grade levels and number of students that will be served FFVP, click this box. The building grade levels

and building enrollment will automatically populate the areas for grade levels served FFVP and enrollment of grade levels served. The “Explanation” box should be left blank.

If the grade levels that will be served FFVP are **different** than the building grade levels, do not click this box. Manually enter grade levels that will be served FFVP and the enrollment of grade levels served. Provide a detailed explanation of why the grade levels that will be served FFVP are different than the building enrollment. If your school auto-populates from your contract as a K-12 building, you will want to take advantage of this feature and specify what grades will be served FFVP. If your site pulls in as a K-8 building, but the older students are not considered elementary students, you will need to indicate that here.

- **Does this site participate in the Community Eligibility Provision (CEP)?** If this school does NOT participate in CEP, click “No.” If this school does participate in CEP, click “Yes.” More information about CEP can be found on DPI’s [Community Eligibility Provision](#) webpage.
 - **Meals Offered (Check all that apply)** - Select which child nutrition programs your school offers (NSLP = National School Lunch Program, SBP = School Breakfast Program). Schools must participate in the NSLP to be eligible for the FFVP.
7. The next page requires you to enter information for the other personnel associated with the FFVP at the applicant school. To add personnel, click on “New Record.” You must add at least one contact person here. We encourage you to include contact information for the person that will be responsible for completing financial paperwork as well as those that will be responsible for menu planning, purchasing, preparation and distribution, nutrition education, and promotional activities.

Add contact information for personnel associated with FFVP at this site. Click 'New Record' to add a new person and indicate which FFVP activities they will be responsible for.

9. The next page requests information about large equipment. **Leave this page blank if no large equipment purchases are anticipated.**

- Large equipment is defined as a single piece of equipment costing \$250 or more.
- If your school anticipates purchasing any large equipment for the FFVP with program funds, list the equipment item(s) on this page. Add a piece of equipment to the list by clicking the “New Record” button. Enter the name of the piece of equipment and the anticipated cost. When entering the cost, enter just the number and do not include a dollar sign. Click “Save” after filling in the requested information. Use the “New Record” option to add additional equipment pieces if needed.

If your school anticipates purchasing any large equipment for the program, list the equipment item(s) on this page. Add a new piece of equipment to the list by clicking the 'New Record' button. To remove a piece of equipment from the list, click on the Equipment Name and click the 'Delete' button. Listing equipment on this page is for application review purposes only and does not indicate that the equipment will be approved for purchase. Leave this page blank if no large equipment purchases are anticipated.

<input type="text"/>	<input type="text"/>

Provide the 'Equipment Name' and 'Equipment Cost' for the piece of equipment you wish to purchase. Please note that Equipment Costs may not exceed 10% of the Allocation Total. If your application is approved you will be asked to submit an equipment justification from explaining the need for additional equipment.

 - **Listing equipment on this page is for application review purposes only and does not indicate that the equipment will be approved for purchase with grant funds.**
 - Note that any equipment costing \$250 or more that is purchased for the program must receive approval from the Wisconsin Department of Public Instruction to be eligible for reimbursement. Obtaining pre-approval is strongly recommended prior to purchase of equipment. **No equipment will be approved for reimbursement without a completed Equipment Justification Form.** More information about this form will be available at the beginning of school year 2020-2021.
 - Click “Continue” when ready to proceed with the rest of the application.
10. The next section requests information about the plan for the FFVP and your current school environment. See the following page in this document for descriptions of the required information. After all information has been entered, click “Continue” at the bottom of the screen to continue with the application.

- **Service Days** – The FFVP must be served a minimum of two days per week. Indicate which days FFVP will be served at the applicant school.
- **Service Time** – This must be at a time other than the SBP or NSLP. If some grades will be served in the morning and some will be served in the afternoon, you can select both. Remember that FFVP cannot be served before or after school.
- **Delivered By** – Check who will deliver the snack or if students will come to a central location.
- **Program Start Date** – Use the calendar icon to select the date you anticipate starting FFVP snack service at the school that is applying. **Schools are expected to start serving no later than the first full week of school.**
- **Indicate activities planned for advertising and promoting the program** – Check all that apply. *It is important that efforts are coordinated to inform principals, teachers, school staff, students, and parents about the FFVP.* It is a requirement that the program must be advertised and promoted in the school community.
- **Indicate activities planned for nutrition education in the program** – Check all that apply. Please note, nutrition education is critical to the program’s success; however, grant funds cannot be used to pay for it. Free resources are available on our website and through the USDA’s Team Nutrition.

It is recommended that you prepare what you want to type into the following boxes before reaching this page. **The page will time out after an extended period of time and typed responses will not be automatically saved.** Consider typing answers in a blank word document and then copy/paste the responses into the application. Note that these text boxes are limited to 4,000 characters each.

Describe how your school is currently fostering a healthy school environment and how the FFVP supports your schools wellness policy. Include any partnerships you have or plan to have with one or more entities that provide nonfederal resources for acquiring, handling, promoting, distributing or teaching about fresh fruits and vegetables that contribute to the purpose of the program. Also include any plans to purchase fresh produce from local growers and farmers.

Is there any additional information you would like us to know when considering your application?

 CONTINUE

- **Describe how your school is currently fostering a healthy school environment including any partnerships your school has (*at least one*)** – For the FFVP to be successful, it needs to be fully supported by school officials and staff who believe in working towards a healthy school environment. Describe how your school is nurturing a healthy school environment, how it evaluates its progress, and how the FFVP will help take your healthy school environment to the next level.

In addition, list non-federal entities that your school will work with to implement and operate the FFVP. Non-federal resources include, but are not limited to, PTA/PTO, local produce companies or grocery stores, culinary and/or life skills students, local dietitians, fruit or vegetable bureaus, and Cooperative Extension Agents. Local farmers and growers are a non-federal resource, and the USDA highly encourages schools to work with local growers to procure fruits and vegetables.

- **Additional Information:** If there is any additional information you would like us to know and did not already enter, provide it here. This is an optional field and does not have to be completed.

11. On the next page, you will have to complete a budget request for the first allocation of the program. **All applicant schools must request funding for the first allocation of the program.** Allocation A budgets of \$0 will not be approved.

The first allocation (allocation A) will be awarded for July 1-September 30, 2020. Due to the majority of the first allocation period occurring during the summer, the first allocation is limited to no more than 15 percent of the school’s total grant award. To estimate the total grant award for the applicant school, multiply the number of students enrolled at the school that will be receiving FFVP (as entered previously on the application) by \$50. This is a rough estimate of your anticipated total grant award (allocation A and B). For more details about creating a budget, refer to the resources posted on our [FFVP](#) webpage. Funding reserved for the first allocation of the program must be obligated by September 30, 2020. **Funding from allocation A will not roll over into allocation B.**

Allocation A - Budget Summary

Budget: Complete a budget request for the first allocation of the program. Refer to the application directions available online at <http://dpi.wi.gov/school-nutrition/ffvp> for details and restrictions.

Item	Budget Request
Operating Costs	
Operating Labor (Salaries & fringe benefits for food preparation employees)	\$ <input type="text"/>
Food/Other (Total)	\$ <input type="text"/>
Fruits and Vegetables	\$ <input type="text"/>
Non-Fruit/Vegetable Foods (Low fat or fat-free dips)	\$ <input type="text"/>
Non-Food Items (serving bowls, cleaning supplies, delivery charges, etc.)	\$ <input type="text"/>
Administrative Costs (limited to 10 percent of total grant)	
Administrative Labor (Salaries & fringe benefits for employees administering the program)	\$ <input type="text"/>
Large Equipment (Single item costing \$250 or more)	\$ <input type="text"/>
Allocation Total	\$ <input type="text"/>

- Determination of your first allocation award should be based on program start date, days of snack service, and equipment or supplies needed.
- All awarded schools will be required to begin FFVP snack service at the beginning of the school year. Schools that do not start the program at the beginning of the school year may be withdrawn from the program.
- Round budget amounts to the nearest whole dollar amount. Do not use special characters when entering budget amounts like dollar signs or decimal points. If you do not anticipate using grant funding during the first allocation for certain budget line items, enter "0." A number must be entered on each budget line or you will receive an error message.
- Typical allocation A funding requests will likely be 5-10 percent of your total grant award. If you are unsure of how to estimate the amount to budget for your first allocation, multiply your elementary school enrollment participation in FFVP by \$5. This will give you approximately 10 percent of your anticipated grant award.
- As you plan your budget, remember that administrative costs must be kept below 10 percent of your total grant award and all non-food costs (including administrative costs) must be kept below 20 percent of your total grant award.
- An approved budget for allocation A is a requirement of the application process. Budgets will be reviewed with the submitted application, and schools will be notified if revisions are required. There will be a limited window of time to make budget revisions. **If a school is notified that a budget revision is needed, but the budget revision is not made within the given timeframe, the application will not be accepted.**

- A budget request for the second allocation of the program (allocation B) is **not** submitted with this application. If an applicant site is awarded the grant, the site will be notified of the need to submit an allocation B budget at a later date.

12. Next, read the certification information. After reading and agreeing to this statement, click the box next to “I agree to Certification” and click the “Submit” button.

CERTIFICATION

- **WE, THE UNDERSIGNED, CERTIFY** that the information contained in this application is complete and accurate to the best of our knowledge; that the necessary assurances of compliance with applicable state and federal statutes, rules, and regulations will be met; and, that the school designated in this application is authorized to administer this grant.
- **WE, FURTHER CERTIFY** that the assurances listed above have been satisfied and that all facts, figures, and representations in this application are correct to the best of our knowledge.
- This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR part 85, Section 85.510, Participant’s responsibilities. The regulations were published as Part VII of the May 26, 1988, Federal Register (pages 19160-19211). Copies of the regulations may be obtained by contacting the person to whom this application is submitted.
 - The prospective lower tier participants(s) certifies, by submission of this application, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
 - Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall submit an explanation to the School Nutrition Team.

 **I agree to Certification**

13. After clicking “Submit,” you will see an automatic notification that your site application has been successfully submitted. However, this is not the final step. Once the application has been submitted, you **MUST** upload the signed agreement form for your application to be considered complete. Select the “Click Here to Download & Upload the Agreement Form” to continue.

This site’s Fresh Fruit and Vegetable Program (FFVP) application has been successfully submitted to the School Nutrition Team. The application may be modified at any time prior to the grant due date when it will be reviewed by a FFVP coordinator. **The application is locked but may be edited prior to the due date. To make changes to the application, contact one of the FFVP coordinators. Once the application is under review, you will no longer be able to make changes to the application. In case of any discrepancies, a FFVP coordinator will contact your school district for resolution.**

You must submit a signed agreement form (use the below link) in order for your application to be complete.

Downloading and Uploading the Participant Agreement Form

1. If you have not already printed the agreement form, use the “Click Here to Download the Agreement Form” link. The form will be downloaded to your computer as a Microsoft Word document. You will be able to type information into the data collection boxes if desired. Otherwise, the entire form can be completed by hand. Regardless of which method is used, the form will need to be printed in order to obtain signatures. **Please note that your application is not complete until you upload the signed agreement form.**

Download, print, and complete the form.

2. Only one form is required per SFA. However, the principal from every school in the SFA that is applying for the program will need to sign the form. Please allow time for gathering the signatures. **The signed form will need to be uploaded to each application for every school in the SFA that is applying for the grant.**
3. You will know that you have the correct copy of the form to use by looking at the “Grant Period” box. This should read **07/01/20-06/30/21**.

Grant Program Fresh Fruit and Vegetable Program (FFVP)	Grant Period 07/01/20 – 06/30/21
I. GENERAL INFORMATION	
School Food Authority (“SFA”) Name	SFA Address <i>Street, City, State, Zip</i>
SFA Code	

4. Read the form thoroughly and be sure to complete both pages.
 - The first page requires general information pertaining to the SFA including SFA name, agency code, and address. The agreement and certification statements must be read carefully. At the bottom, there is space for the SFA Administrator and Food Service Director to sign. Note that the “SFA Administrator” may be different from your SFA’s Authorized Representative as identified on the school nutrition contract. In public districts, the SFA Administrator is your District Administrator or Superintendent. In private schools, the SFA Administrator will likely be your School Administrator.
 - The second page is titled “Attachment A” and provides space to write in school-specific information such as school name, school address, and the name of the school’s principal. Only list the schools that are applying for FFVP and not all schools in the SFA. **For the form to be considered complete, the principal from each applicant school must sign this form.** There is enough space on Attachment A to accommodate information for 9 schools.

If more space is needed, Attachment A can be photocopied and as many copies as needed may be attached; however, all copies must be scanned and uploaded as one document.
