Preparation:

For best results: Prepare corn dogs from frozen

1. Pre-heat oven to 375F.
2. Place parchment pan liner on a full size sheet pan and spray lightly with pan coating.
3. Pour contents of bag of frozen corn dogs and spread evenly over the entire sheet pan leaving some space between each of them.
4. Bake at 375F for 15 - 17 minutes or until corn dogs reach 165F and batter is fully cooked and serve

Note: For best results leave oven doors closed during the entirety of the cooking step in order to keep oven temperature at optimum level.

Cooking times depend on load in the oven being heated.
