

SCHOOL NUTRITION PROGRAM ADMINISTRATIVE REVIEW Required Fresh Fruit and Vegetable Program Documentation

The following checklist will assist the Authorized Representative and/or Food Service Director with actions to take and documents to submit prior to the Administrative Review.

Fresh Fruit and Vegetable Program (FFVP)

Upload the following documents to SNACS:

- Documentation showing the FFVP was publicized to families and throughout the school
- Menu showing the fruit and/or vegetable snacks provided for the day of on-site review
- Schedule showing the days and times the fruit and/or vegetable snacks provided for the day of on-site review

This is to ensure that FFVP is offered during the school day, but outside the meal service times of the NSLP and/or SBP.
