

# Around the **WORLD** in 80 Trays

## Social Media Ideas

### Social Media Tips & Tricks for the Event

Using social media platforms is a great way to promote your school or district's participation in the Around the World in 80 Trays event and to increase student, staff, and family engagement.

Posting before, during, and after the event can create excitement and ensure success of the event.

This resource includes ideas for posts as well as sample language that may be used. Consider including photos with your posts to catch the attention of your audience as they are quickly scrolling through a newsfeed. Also, include hashtags such as #AroundtheWorldin80Trays, or #WISchoolMealsRock with your posts to increase presence and engagement.

### Pre-event Posts:

- Create informational posts to educate families on the event and its significance
- Showcase menu offerings to create excitement
