Subject: WI USDA Foods: Updates for end of School Year 2022-23

You are receiving this email because you are listed as the Primary Contact in the *WI USDA Foods Ordering System*.

Please review these updates from the Wisconsin USDA Foods Team. Forward this information to business managers, bookkeepers, and food service directors, as appropriate.

USDA Foods Average Purchase Prices Updated for SY 2022-23

The Department of Public Instruction (DPI) USDA Foods Team has updated the [Entitlement Value, Processing, and Handling Charges for SY 2022-23](#). In the [Wisconsin USDA Foods Ordering System](#), product values are updated from the November 2021 price files to the actual average purchase prices for SY 2022-23.

These average prices are reflected on the Program Year 2023 Commodity Allocation and Receipt Summary (CARS) report.

USDA Foods CARS Report for SY 2022-23

The Program Year 2023 CARS report reflects orders processed in the Wisconsin USDA Foods Ordering System for SY 2022-23. At the bottom of the CARS report, is the "Total Value of USDA Foods Received" for your financial records.

Please review the [CARS Report Summary Instructions](#).

If you use a food service management company, be sure to share this information with them.
