<p>Before entering into a Food Service Management Company contract, SFAs are required to use a <a href="#">Request for Proposal (RFP) DPI Template</a> (either fixed price or cost reimbursable). (<a href="https://dpi.wi.gov/school-nutrition/program-requirements/procurement">https://dpi.wi.gov/school-nutrition/program-requirements/procurement</a>) The RFP process requires DPI approval at multiple steps and can take an average of three months to complete. Please email <a href="mailto:dpifsmc@dpi.wi.gov">dpifsmc@dpi.wi.gov</a> or call 608-267-9228 for additional information and approval.</p> <p>The <a href="#">DPI Templates for Vended Meals Agreement or Joint Agreement</a> must be used. This is a separate form from of the PLE tool. (<a href="https://docs.google.com/forms/d/e/1FAIpQLSeoHThbGvahJHHeoVQ21nj_3WD_z1WHoLhcVeedVPQREiBx1Tw/viewform">https://docs.google.com/forms/d/e/1FAIpQLSeoHThbGvahJHHeoVQ21nj_3WD_z1WHoLhcVeedVPQREiBx1Tw/viewform</a>).</li> <li>If your SFA is operating SSO for the 2021-22 SY, you have completed the PLE survey and had a negative, zero or positive balance for the Nonprofit School Food Service Account (Fund 50) as of December 31, 2020, you <b>do not</b> need to complete the PLE tool.</li> <li>If your SFA is not operating the SSO, but instead operating the NSLP for the 2021-22 SY, SFAs with zero or positive balances in the non-profit food service account as of December 31, 2020 were not required to complete the PLE tool. SFAs with a negative balance in the nonprofit food service account as of December 31, 2020 are required to complete the <a href="#">PLE tool for SY 2021-22</a>, upload the completed tool to the online contract, and increase paid lunch prices accordingly. (<a href="https://dpi.wi.gov/sites/default/files/imce/school-nutrition/xls/ple-tool.xlsx">https://dpi.wi.gov/sites/default/files/imce/school-nutrition/xls/ple-tool.xlsx</a>) For SFAs required to complete the PLE tool, it must be completed prior to setting lunch prices for the upcoming school year. Maintain an electronic and printed copy of the completed PLE tool at the SFA. The previous year's tool will be used to complete the current PLE tool.</li> </ol> <p>PLE requirements are subject to change annually depending on USDA guidance, as it is released. For this reason, PLE requirements for the SY 2022-23 may differ from SY 2021-22.</p>	<p>In the spring and/or near the end of the school year, when lunch prices are being determined for the upcoming school year.</p> <p>If PLE tool completed, upload the tool into the <b>next year's</b> Child Nutrition Online Contract ( the school year paid meal prices are being determined for).</p>		
<p><b>Free and Reduced Price Meal Applications (Applicable for SSO and NSLP)</b></p> <p>If operating SSO, school meal applications must be available as needed to certify children for free and reduced price meals. A student's free and reduced price meal eligibility is not required for free school meals in SSO, but establishes eligibility for other purposes, such as state reporting, Wisconsin School Day Milk Program, and P-EBT.</p> <p>Print current applications for free and reduced price meals/free milk from DPI's website and update with the school's information. Distribute between July 1 and the beginning of the school year to <u>ALL</u> households, unless household is certified free through Direct Certification prior to distributing applications. The <a href="#">Free and Reduced Price Meal Application Materials</a> include an updated prototype application, instructions, parent notification letter, notice of Direct</p>	<p>After July 1 and before the start of the school year.</p>

<p>Certification letter, and other related forms. (<a href="https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility">https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility</a>) Process completed applications within ten (10) operating days after the date of receipt. Send notification to households with students who are eligible for free or reduced price meals and to households that are denied benefits. The Determining Official (DO) must sign and date all applications. File all approved and denied applications at the SFA, along with any other documentation supporting eligibility of benefits and retain for three years plus the current school year.</p> <p>If the SFA uses a web-based application, the web-based vendor must be approved by DPI prior to distribution of the application to households. The approved vendor list is updated annually. Remember, the application for the upcoming school year cannot be posted or distributed prior to July 1.</p>			
<p><b>Direct Certification (DC) (Applicable for SSO and NSLP)</b></p> <p>Conduct a full-enrollment <a href="#">DC</a> run for the first run of the school year. Keep the original matched file, securely, in paper or electronic format, for three years plus the current school year. (<a href="https://dpi.wi.gov/school-nutrition/program-requirements/direct-certification">https://dpi.wi.gov/school-nutrition/program-requirements/direct-certification</a>)</p> <p>Send notification letters to households of students that are categorically eligible for free or reduced price meals. <a href="#">Prototype DC letters</a> are available on the Free and Reduced Price Meal application webpage. (<a href="https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility">https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility</a>)</p> <p>SFAs are required to conduct a full enrollment DC run a minimum of three times per school year: once at the beginning of the school year, three months after first run, and six months after first run, per USDA SP 31-2011. In addition to the three minimum DC runs required by USDA, a full-enrollment DC must be completed on or before April 1 to reflect enrollment information on April 1. This data is compiled for a USDA report and is used to determine which schools qualify for CEP.</p> <p>SFAs are encouraged to run DC more frequently and when new students enter the district. The matching database is updated weekly.</p>	<p><i>First Run:</i> At or near beginning of school year (July – August)</p> <p><i>Second Run:</i> Three months after first run (October – December)</p> <p><i>Third Run:</i> Six months after first run (January – March)</p> <p><i>April 1 Run:</i> If third run is not completed near April 1, a fourth run close to or on April 1 must be completed</p>		
<p><b>Benefit Issuance List (BI) (Applicable for SSO and NSLP)</b></p> <p>From benefit documentation (which includes Free and Reduced Price Meal applications, DC lists, documentation designating students as homeless by the school district’s homeless liaison, documentation designating students as migrant by state migrant coordinator, and any additional documentation for foster, runaway, and Head Start students), create and maintain a BI list noting the student’s name, benefit/status, specific date of qualification, benefit type/source (i.e., DC or application).</p> <p>For SFAs operating SSO, the individual student eligibility reflected on the BI list should be the most current eligibility information available from 2019-20, 2020-21 or 2021-22.</p> <p>For SFA operating the traditional NSLP/SBP, remember, carryover benefits from the prior school year are in effect for the first 30 operating days of school or until new benefit documentation is</p>	<p>Prior to start of school year</p> <p>Updates should be made throughout the year as new benefit documentation is received, as new students arrive, and/or when benefits change due to verification.</p>

Information on carryover benefits can be found in the <a href="https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility">Eligibility Manual for School Meals</a> (<a href="https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility">https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility</a>). <p><b>Unpaid Meal Charge Policy (Applicable for SSO and NSLP)</b></p> <p>The most current version of the SFA’s Unpaid Meal Charge Policy must be provided in writing (mail, email, back-to-school packet, student handbook, etc.) to all households at the start of each school year. The policy must also be provided in writing to any households transferring to the SFA during the school year. Note that only posting the policy to the school website does not meet this requirement.</p> <p>The policy must also be provided in writing to all school or SFA-level staff who are responsible for policy enforcement. It is recommended to also provide the policy information to principals and other school or district administrators to ensure the policy is supported.</p> <p>It is highly encouraged to review the policy content on a regular basis, such as annually, and update the policy accordingly.</p> <p>For SSO, students are not charged for reimbursable meals, but we do highly recommend that the Unpaid Meal Charge Policy be distributed as this is likely the best way to communicate to families that there is a charge for a non-reimbursable meal and a la carte.</p> <p><a href="https://dpi.wi.gov/school-nutrition/program-requirements/financial-management">Unpaid Meal Charge Policy Resources</a> can be found online (<a href="https://dpi.wi.gov/school-nutrition/program-requirements/financial-management">https://dpi.wi.gov/school-nutrition/program-requirements/financial-management</a>).</p>	<p>Prior to the start of school year</p> <p>Recommend to review and update regularly, such as annually.</p>		
<p><b>Public Release (Applicable for SSO, NSLP and SMP)</b></p> <p>Send the current year’s public release for free and reduced price meals/free milk to local media and grassroots organizations that reach minority or under-represented groups. SFAs are required to send the public release to local media but are not required to pay to have it published. In addition, SFAs should send the release to major employers contemplating or experiencing large layoffs and local unemployment offices, as applicable.</p> <p><a href="https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility">Public Releases</a> are located on the SNT website Free and Reduced Meal Eligibility webpage. ### 60 Calendar Day Cut-off Deadlines for Submitting Claims for Reimbursement

Claims for reimbursement for meals/milk served under the SSO, NSLP, SBP, Afterschool Snack Program (ASP), and Special Milk Program (SMP) must be submitted to DPI online for payment **within 60 calendar days after the end of the claiming period**. Only one claim per program is accepted per payment processing period. Processing occurs each Tuesday morning, unless that day is a holiday, in which case the processing would happen the following day. Payment processing does not occur the last two weeks of June and the last two weeks of December so that DPI's Business Office can do fiscal- and year-end closeouts.
