More information and the PLE Tool are located on the Financial Management website. https://dpi.wi.gov/school-nutrition/program-requirements/financial-management</p> <p>For SY 2023-24: Per USDA Memorandum SP 11-2023, if your RCCI had a zero or positive balance in the Nonprofit School Food Service Account (Fund 50) as of June 30, 2022, you do not need to complete the PLE tool. <p>Public Release</p> <p>Send the current year's public release for free and reduced-price meals/free milk to local media and grassroots organizations that reach minority or under-represented groups. RCCIs are required to send the public release to local media but are not required to pay to have it published.</p> <p>Public Releases are located on the SNT website Free and Reduced Meal Eligibility webpage. https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility</p>	<p>After July 1, but prior to the first day of school</p>		
<p>Free and Reduced Price Meal Applications</p> <p>School meal applications certify children for free and reduced price meals. A student's free and reduced price meal eligibility establishes eligibility for other purposes, such as state reporting, Wisconsin School Day Milk Program, and Summer EBT.</p> <p>If your RCCI uses a web-based application, the web-based vendor must be approved by DPI prior to distribution of the application to households. The approved vendor list is updated annually. If using paper applications, download the current year's free and reduced price meal applications and update with your RCCIs information. Applications can be posted and distributed to households beginning July 1. All households should receive the application materials by the beginning of the school year unless the household is certified free through Direct Certification (DC) prior to distribution. It is strongly recommended to run DC prior to distributing applications to reduce the number of applications are required to be distributed and processed.</p> <p>The Free and Reduced Price Meal Application Materials include the application, instructions, parent notification letters and other related forms. https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility</p> <ul style="list-style-type: none"> • Process completed applications within ten (10) operating days after the date of receipt. • Send notification to households with students who are eligible for free or reduced price meals and to households that are denied benefits. • Your RCCI may also need to distribute a Sharing of Information Letter if your RCCI waives fees if a student is eligible for free or reduced price meals. <ul style="list-style-type: none"> ◦ https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility#accordion-72806-2 Any RCCI staff member that is provided with individual student eligibility information for purposes other than school meal benefits, such as fee waivers or State reporting, must have a Disclosure Agreement on file at the district. https://dpi.wi.gov/school-nutrition/program-requirements/free-reduced-meal-eligibility#accordion-72806-2 • The Determining Official (DO) must sign and date all applications. • File all approved and denied applications at the RCCI, along with any other documentation supporting eligibility of benefits and retain for three years plus the current school year. 	<p>After July 1 and before the first day of school.</p>		

<p>Direct Certification (DC)</p> <p>Conduct a full-enrollment DC run at least three times per school year. Store the original student match file securely, in paper or electronic format, for three years plus the current school year. In addition to the three minimum DC runs required by USDA, a full-enrollment DC must be completed on or before April 1 to reflect enrollment information on April 1. This data is compiled into report for USDA and is also used to determine which schools qualify for CEP. https://dpi.wi.gov/school-nutrition/program-requirements/direct-certification</p> <p>Send notification letters to households categorically eligible for free or reduced price meals. Prototype DC letters are available. https://dpi.wi.gov/school-nutrition/program-requirements/direct-certification#:~:text=and%20DC%20webcast-,Resources,-Eligibility%20Manual</p> <p><u>RCCIs are strongly encouraged to run DC more frequently and when new students enroll.</u> Running DC more often than required reduces the amount of time RCCI staff spend processing applications and reduces the number of unpaid meals charges by ensuring all eligible students receive the benefit they are entitled to promptly.</p> <p>Best Practice: Conduct a full enrollment run weekly, or at a minimum, monthly.</p>	<p>Run 1: Between early July and the first day of school.</p> <p>Run 2: Three months after the first run</p> <p>Run 3: Six months after the first run</p> <p>Run 4: Between March 15 and April 1.</p>		
<p>Benefit Issuance List (BI)</p> <p>Gather student eligibility documentation including free and reduced price meal applications, DC student match files, documentation designating students as homeless by the school district’s homeless liaison, documentation designating students as migrant by state migrant coordinator, and documentation for foster, runaway, and Head Start students. Compile and maintain a BI list noting the student’s name, benefit status, date of determination, and benefit determination source (i.e., DC or application).</p> <p>Carryover benefits from the prior school year are in effect for the first 30 operating days of school or until new benefit documentation is received—whichever comes first.</p> <p>Carryover benefit guidance is found in the Eligibility Manual for School Meals. https://dpi.wi.gov/sites/default/files/imce/school-nutrition/pdf/eligibility-manual.pdf</p> <p>An Example Benefit Issuance List can be found online. https://dpi.wi.gov/sites/default/files/imce/school-nutrition/pdf/beniss_ex.pdf</p> <p>Schools utilizing software should run the report for the BI list after the carryover period ends to ensure all students receiving free or reduced benefits have qualified based on eligibility documentation from the current school year.</p>	<p>Create before the first day of school and update throughout the school year as new determinations are made.</p>		

<p>Unpaid Meal Charge Policy</p> <p>The most current version of the RCCI's Unpaid Meal Charge Policy is provided in writing (mail, email, back-to-school packet, student handbook, etc.) to all households at the start of each school year. The policy must be provided in writing to any households transferring to the RCCI during the school year. Posting the policy to the school's public website does not meet the requirement.</p> <p>The policy is provided in writing to all school or RCCI-level staff who are responsible for policy enforcement. Provide the policy to principals and district administrators to ensure the policy is supported and applied consistently.</p> <p>It is highly encouraged to review the policy content on a regular basis, such as annually, and update the policy accordingly.</p> <p>Unpaid Meal Charge Policy Resources can be found on the financial management webpage. https://dpi.wi.gov/school-nutrition/program-requirements/financial-management</p>	<p>Prior to the first day of school.</p> <p>Recommended to review and update annually if needed.</p>

Display an And Justice for All poster in areas where the program is administered (cafeteria, classroom, meal cart). The poster must be posted in a way that is visible and easy to read for program participants.</p> <p>The 2019 version of the poster should be used for all RCCIs until the updated version including the updated 2022 non-discrimination statement is provided by USDA. WI DPI is out of posters and until USDA provides a new supply, RCCIs may print the poster, linked above, on 11" x 17" paper.</p> <p>Any <u>private</u> RCCI electing to use the 2015 version of the non-discrimination statement will continue to use the 2019 version of the poster. https://www.usda.gov/sites/default/files/documents/JFAgreen508.pdf</p>	<p>Prior to start of school year</p>
