The changes to the claim as shown above are still in process. Until DPI has updated the on-line claiming system to include the new CEP data collection, your LEA has been blocked from on-line claiming. We anticipate this update to be completed by the end of September. While you are unable to submit online claims, your agency must submit paper copies of any reimbursement claims for the 2014-2015 school year to the department until this process is completed to ensure you meet USDA's 60-day deadline for claim submittal. The claims must be e-mailed to Jacque Jordee at jacqueline.jordee@dpi.wi.gov or faxed to her at the Departments State and Federal Grants section. The fax number is (608) 267-9207.
