New Agencies

If you do not have a six-digit agency code provided by the School Nutrition Team at DPI, and this is your first time entering a contract for School Nutrition Programs, please follow these instructions:

1. New agencies will be contacted by a DPI School Nutrition Team Nutrition Program Consultant and provided a temporary agency code and a temporary password.

2. Follow the instructions in this manual. Use your temporary agency code and the temporary password to log-in.

Special notes for new agencies:
   a. For Schedule “A”, you will need to enter all schools in your School Food Authority (SFA) listed on the Wisconsin School Directory.
   b. If you are a private SFA or a Residential Child Care Institution (RCCI), you will need to complete the Federal Awards Expended screen. You will need to know the amount of federal funding you have received under various programs. If you have nothing to report, please enter zeroes (0) and continue.
   c. If you have questions while entering your contract for the first time, please call the School Nutrition Team at 608-267-9228 and ask for your nutrition program consultant.

3. If you need to make changes to your contract between the time that you enter it and before the time that a consultant begins to approve it, you may continue to access the site using your temporary agency code and temporary password. Once the consultant starts reviewing your contract, you will not be able to make any changes until it is approved.

4. Once your contract is approved, you will receive a permanent agency code and a permanent password. At that point, you will no longer be able to use the temporary log-in information. Using your permanent log-in information, you will be able to access the site and view or modify your contract at any time.

Overview of the Online Contract

The Online Contract is an agreement between the School Food Authority (SFA) and DPI. In order for a SFA to participate in the USDA Child Nutrition Programs and any Wisconsin-offered nutrition programs, the contract must be completed annually and submitted for review. It is reviewed and approved by a Nutrition Program Consultant. The Online Contract indicates important contact information and the programs in which the SFA participates. It also allows for the claiming of reimbursable meals for the programs indicated in the Online Contract. The attestation statement is confirmation of the data and agreement to follow the regulations of the Child Nutrition Programs, as outlined in the Permanent Agreement.

The Online contract must be completed and updated annually by May 31st.

![Sample Screen 4 – Log-in Page](image)

**NOTES:**

**Time limit on entering data** – A timer starts from the moment of log-in. If no activity occurs for 30 minutes, an error message will pop up indicating the need to return to the main “Log-In” screen. Any movement on a page at all (such as going from one screen to another or moving to another entry field on the same page) will reset the 30-minute timer.

The contract is not submitted to DPI until the “I agree to Certification” box is checked and the “Submit Contract” button is clicked on the last screen. To submit the contract to DPI, click “Continue” though the entire contract, check the “I agree to Certification” box, and click on the “Submit” button at the end. Sample Screen 7 - General Information

Part 1: General Information
See Sample Screen 7, above.
1. The “Legal Name of School Food Authority (School Agency)” box may only be changed by DPI. If an agency name change is necessary, please contact the School Nutrition Team at 608-267-9228.

2. A Local Educational Agency’s (LEA) number is assigned to each public school. If the agency is a private SFA or RCCI, enter the LEA number of the public school district where the mailing address is located.

3. If you do not know the Congressional District Number, click on the link:

4. Point of Service Software - If a software vendor is utilized for the point of service, choose from the list provided. If the software vendor used is not listed, choose “other” and provide the name of your software vendor on the next line.

5/1/20
5. Free and Reduced Price Meal Application Software - If a computer or web-based free and reduced price meal application is used, please select or enter the name of the vendor of the software system used. If a software vendor is used but the name is not on the list, choose “other” and provide the name of the software vendor on the next line. If a system is used that identifies eligibility based on data manually entered from a paper application, please select or enter the name of the system used.

6. Select if applicable to the agency - Click on the drop downs and select “Yes” or “No”. Indicate the type of institution here only if one of the listed categories applies to the school agency.

   a. Residential Child Care Institution (RCCI) is an institution which operates principally for the care of children in a residential setting.

   b. Provision 2 Agency is an agency participating in the National School Lunch Program (NSLP) under Section 11 (a) (1), Provision 2 of the Richard B. Russell National School Lunch Act (42 USC 1759A). Under this provision to reduce paperwork, meals are served free to all students and applications to determine free and reduced price meal eligibility are only collected once every four years. Schools participating in the Provision 2 claiming option must obtain approval from DPI.

   c. Independently Authorized Charter School or Independent Charter Agency is only those schools chartered (under Wis. Stats. 118.40(2r) or (2x)) by the City of Milwaukee, the chancellor of any institution in the University of Wisconsin (UW)-System, any technical college district board, the Waukesha County Executive, the college of Menominee Nation, the Lac Courte Orielles Ojibwa community college, or the UW-System Office of Educational Opportunity.

   d. Community Eligibility Provision (CEP) is a four year reimbursement alternative for high poverty LEAs and schools participating in the NSLP and the School Breakfast Program (SBP). Schools participating in the CEP must obtain approval from DPI.

Click on the drop down arrows and select:

For “Do you Participate in Community Eligibility Provision” indicate if the SFA participates SFA-wide or site/group-based.

If you select “Yes – SFA wide”, select the cycle year of participation in CEP, and click on “Select Cycle Year”. If SY 2020-21 will be the first year of participation, select “One”.

Note for completing Schedule A: If the SFA is participating in CEP SFA-wide, the system will automatically notate CEP participation for each school listed on Schedule A. If participating as individual sites or group of schools, indicate which schools are participating in CEP on Schedule A and assign each site a corresponding school or group number.
Part 2: Addresses and Contacts Numbers
See Sample Screen 7.1, below.

1. Enter the complete SFA street address information for the SFA office location. Use a street address in this field, not a P.O. Box. If any address does not have a fax number, leave the “Fax” field blank.

2. Enter the Correspondence Address. This must be entered, even if it is the same as the SFA address. A P.O. Box may be entered in this field.

Meal Charges, Purchase, and Officials Information

Note: This screen has 6 parts.

Part 1: Paid Lunch Equity (PLE)

All SFAs must complete the **PLE Survey**.

If the December 31, 2019 balance of the nonprofit foodservice account is zero or positive, the SFA will not need to upload any files here (see **SNT Announcement, April, 2020**). If the December 31, 2019 balance of the nonprofit foodservice account was negative, the PLE Tool must be completed and uploaded into the online contract. SFAs that are required to submit the online PLE Tool for SY 2020-21 are instructed to save that Excel file in an accessible location on a local computer. Screen 8 asks to upload the PLE Tool from the local computer.

If the Agency’s Excel PLE Tool for SY 2020-21 cannot be located, please go to [dpi.wi.gov/school-nutrition/national-school-lunch-program/financial](https://dpi.wi.gov/school-nutrition/national-school-lunch-program/financial), and scroll down to the Paid Lunch Equity School Year 2020-2021. Open the instructions and the Paid Lunch Equity Tool SY 2020-21.

**If it is needed to leave the online contract to complete the PLE Tool, remember to click the Continue arrow at the bottom to save changes to the online contract.**

**Determining Official** reviews the initial free/reduced-price meals applications, determines if the students are eligible for free or reduced-price meals, and notifies the household of the determination.

**Hearing Official** may be called upon to hear possible complaints or appeals on application determination or verification process results and possible discrimination in the operations of the program. The Hearing Official should not be a subordinate of the person serving as either the Determining Official or the Verifying Official. The Hearing Official may not be the same person as the Determining Official or the Verifying Official or the Confirming Official.

**Verifying Official** conducts the verification process including the selection of applications, notification of selection for verification, examination of materials submitted and notification of the results. The Verification Official must also submit the Verification Collection Report to DPI. The Verifying Official may be the Determining Official.

**Confirming Official** conducts a review of the information on the applications selected for verification to confirm that the correct determination of eligibility was initially made. If necessary, this person corrects the eligibility determination prior to completing the verification process. The Confirming Official may not be the same as the Hearing Official or the Determining Official.

Federal Awards Expended - Private Schools and RCCIs Only

Note: This page will appear only for private schools and RCCIs. Public schools must submit annual audits to DPI and therefore are not required to complete this. See Sample Screen 10, below.

1. SFAs must report all sources of federal funds for the 2nd preceding school year. (For the 2020-2021 contract, this will be the information from the 2018-2019 school year.) Enter financial data in the "Amount Expended" field(s) below. Reimbursement received from DPI for the School Lunch, School Breakfast, Special Milk, USDA Foods, and Child and Adult Care Food Programs from the second preceding fiscal year should already be included. Federal nutrition grants (see #4, below) are not automatically calculated. If the SFA did not participate in these programs in the second preceding school year, these amounts should be "0".

2. Do not change the amounts that are automatically entered for the National School Lunch Program, School Breakfast Program, USDA Foods Distribution Program (Commodities) and Special Milk Program. Do not delete these lines, even if a new agency and did not receive federal funds in the 2nd preceding school year.

3. Enter any other sources of federal funds. This includes any federal school nutrition grants (such as the Fresh Fruit and Vegetable Grant or the USDA Equipment Grant). Enter the CFDA number for any additional federal funding that you received.

4. If you did not receive any funding for a particular program, enter “0” in the amount column. Do not delete the CFDA number or the Name of Federal Program.

5. Once all information is entered, click the “Continue” button.

Sample Screen 10 - Federal Awards Expended (Private Schools and RCCIs Only)

Audit Requirement: The Code of Federal Regulations, Title 7-Agriculture, Part 3052.205 requires an annual audit if nonfederal entities expend $750,000 or more in a year in total federal awards. The $750,000 audit threshold applies to all federal grant awards combined.

Section 3052.320 describes the report submission requirements for nonprofit agencies required to have an audit. To determine if your agency must have an audit conducted, complete the following table.

Instructions:
This page applies only to private schools and RCCIs since public schools conduct annual audits. Private schools and all RCCIs must report the federal amounts expended for each federal program providing funding. For your convenience, the Department has already entered the amounts for the programs it administers. If the amounts are incorrect, please enter the correct numbers. If your agency participates in a federal program (i.e. IDEA, Title Programs, etc.) in addition to the programs listed below, please provide the CFDA Code, name of the federal program and the federal amount expended. If the "Total Federal Amount Expended" exceeds $750,000 an EIN number must be entered.

List of Schools under School Food Authority (Schedule “A”)

This screen (see Sample Screen 11, below) lists all the existing schools under the SFA Contract.

Each school name listed on Schedule A, and the information about the school, should match what is listed in the current Wisconsin School Directory published by DPI. (Visit https://apps4.dpi.wi.gov/SchoolDirectory/Search/PublicSchoolsSearch to view the current edition of this directory.)

1. If this is a new SFA, there will be no schools listed here. All schools in the SFA will need information entered, by site. Click on “New Record” to add schools and for instructions on how to enter a new school, see section “To add or delete a school”.

Sample Screen 11 – List of Schools Under School Food Authority (Schedule “A”)

a. Review each school’s information by clicking the bold school name (for example above, click on “Test Elementary”.)

b. Once click on school name, the “School Schedule A” screen opens to enter or change any information for that particular school.

Sample Screen 12 – School Information Under School Food Authority (Schedule “A”)

Does this site operate under an Alternate School Food Authority Agreement

5/1/20
Does this site operate under an Alternate School Food Authority Agreement?

If a school listed on Schedule A is operating under an Alternate School Food Authority Agreement, select “yes” from the dropdown (see Sample Screen 12, above). This means that this school is operating as a site in this SFA contract and is not listed on any other online contract as a site. The site listed as operating under an Alternate School Food Authority Agreement has waived its right to its reimbursement. Typically, this is a small, private school operating under a public school that has agreed to assist with the administration of the program. More information can be found here on our website at dpi.wi.gov/school-nutrition/procurement/alternate-agreement. An annual signed agreement is required and requested as part of the contract renewal.

2. Review and update the current information (see Sample Screen 12.1, on next page) for the selected school. If the school does not offer a listed program, select “Not in Program” from the drop-down choices in the Menu Option menu.

School Breakfast Program - Breakfast Type

There are two options for breakfast, Severe Need Breakfast and Non-Severe Need Breakfast. Severe Need Breakfast has a higher reimbursement rate. A school may qualify for Severe Need Breakfast if 40% or more lunches served in the 2nd preceding year were at the free or reduced price.

NEW: If this school is a Severe Need Breakfast site, beginning with the 2020-2021 online contract, the qualifying lunch meal count numbers, from the 2018-2019 school year, will prepopulate. Remember that qualifying counts are obtained from lunches served in the 2nd preceding school year for this specific school. For example: for school year 2020-2021, lunch counts from school year 2018-2019 will prepopulate for each qualifying school.

a. **Note:** The total number of regular breakfast sites and severe-need breakfast sites must equal the number of sites indicated on the SFA “Policy Statement.” **Breakfast Model:** Please select all breakfast models used in the school building. Traditional is defined as breakfast that is served in the cafeteria before the start of the school day. More information about different breakfast models is on our website at [http://dpi.wi.gov/school-nutrition/school-breakfast-program](http://dpi.wi.gov/school-nutrition/school-breakfast-program). This information is **required** for all schools participating in the School Breakfast Program.

c. **NEW:** If the site newly qualifies for Severe Need Breakfast, a message in red will appear to alert the SFA this site qualifies based on 2018-19 lunch claim data.

5/1/20
Sample Screen 12.4 – Meal Preparation and Food Safety Inspection

Note about Safety Inspections: Each year, regulations require schools participating in the school lunch or breakfast program to have two food safety inspections. Per DPI protocol, one of these inspections may include a review of your food safety plan by an environmental health specialist from the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) or the local (county or city) health department. Environmental Health Specialists must be physically present at the school and issue the agency a copy of the report. If the SFA is not receiving the required number of inspections at each school, a written request for two inspections should be submitted to the local regulatory authority.

- In order for DPI to meet USDA reporting requirements, the agency must report the number of food safety inspections conducted at each meal preparation and/or serving location on an annual basis. Use the drop down arrow to report the number of inspections for each individual school page of Schedule A.
- Indicate whether or not there is at least one food service staff person who is ServSafe Certified, or equivalent, at this site.

5. Federal Nutrition Standards and Meal Pattern Certification: SFAs must attest that the participating Child Nutrition Programs at each site are following USDA’s new meal pattern for both breakfast and lunch for the current school year by selecting “Yes”.

Sample Screen 12.5 – Federal Nutrition Standards and Meal Pattern Certification

6. Community Eligibility Provision Participation: If the SFA is participating in CEP SFA-wide, the system will automatically indicate CEP participation on every school on Schedule A. If participating as an individual site or group of schools, on Schedule A it will need to be indicated which schools are participating in CEP. Also select the cycle year and the group number.

Sample Screen 12.6 – Community Eligibility Provision Participation (CEP)

7. Alternate Meal Service Locations: Does this school claim meals, milk, and/or afterschool snacks which are served at a location with a different address than the location of this school?
Examples include:

- **Separate school building**
  This school is made up of multiple buildings located at different addresses with separate meal serving locations. List the other school building location(s) that serve meals, milk, and/or snack.

- **Alternate education program site**
  Students eat meals at alternate education program sites with different addresses from where they are enrolled. DPI has not assigned these alternative education programs a school code.

- **Offsite Community Program**
  Afterschool snacks are served in a community location, such as the Boys and Girls Club. The afterschool snack site is located within the attendance area of this school, so these snacks are claimed at this school.

**Sample Screen 12.7 – Alternate Meal Service Locations**

If click “No”, click “SAVE” at the bottom of the screen, and go to page 25, Policy Statement (School Specific).

If click “Yes” and “SAVE” a pop up for “New Record” will appear. Complete this for Alternate Meal Service Locations.

Complete the information for this alternate meal service location and click “SAVE”.

5/1/20
Click “New Record” to add more alternative meal locations or click “Continue” which will return to Schedule A. Click “Back” to correct any errors.

8. Once all Alternate Meal Locations are entered, click on the “CONTINUE” button. This will return again to the Schedule “A” List of Schools Screen.

**Policy Statement (School Specific)**

The Policy Statement for each school must be updated every year.

To enter Policy Statement information for each school, click on the “Policy Statement” link (see Sample Screen 11, below). If there is already existing School Specific Policy Statement information, the link will say “Policy Statement Available.”
1. Enter the meal accountability system for every program at each site on the School-Specific Policy
Statement. Enter this information even if the same meal accountability system is used at all locations.

2. Enter the money collection procedure if it is different than the money collection procedure for the entire SFA.

3. Enter the program start and end dates for every program at each site that is part of the SFA. Complete the School-Specific Policy Statement for each school that is listed on Schedule “A,” even if all sites or all programs have the same start and end dates. The program start date should be the date the first meal (or snack) is served, on or after July 1, 2020 and the end date should be the date the last meal is served, on or before June 30, 2021.

4. Examples:
   a. The Agency Policy Statement indicates that the NSLP will operate from 9/1/2020 until 6/15/2021, and this school will operate the NSLP for those same dates. These dates will need to be entered on this, school-specific policy, page even though the information is the same.

   OR

   b. The Agency Policy Statement indicates that the Money Collection Procedures used in the SFA are Prepayment and Cash on Line. This specific school only does Prepayment. Do not enter school specific Money Collection Procedures on this page for this school. The information on the SFA School Policy Statement adequately details the money collection procedures.

5. After entering all data, click the “Save” button to save changes for this individual school (see Sample Screen 13.1).

**Sample Screen 13.1 - School Specific Policy Statement Information (continued)**

6. Return to the Schedule “A” List of Schools screen.
To Add or Delete a School on Schedule “A”

Each school name listed on Schedule A, and the information about the school, should match what is listed in the current Wisconsin School Directory published by DPI (visit https://apps4.dpi.wi.gov/SchoolDirectory/Search/PublicSchoolsSearch if you do not have a printed copy of this directory).

If a school is listed on the Wisconsin Directory, it should be listed on Schedule A of the contract. If a school does not participate in the USDA Child Nutrition Program, select “Not in Program” from the drop-down menus for each program.

1. To delete a school (see Sample Screen 11.1; next page):
   a. Open the School Specific Schedule A Information by clicking on the name of the school hyperlink.
   b. For “Does this site operate under an Alternate School Food Authority Agreement”, select “No” from the drop down.
   c. Select Not in Program from the drop down menus for all programs.
   d. For “Alternate meal service location”, select the “No” button.
   e. Click “Save”.
   f. Click on the name of the school to return to School Specific Information page.
   g. Scroll down and click “Delete” at the bottom of the page.

2. Confirm the school has been deleted on the list of schools on Schedule A. If a school is mistakenly deleted, contact DPI SNT immediately for troubleshooting at dpifns@dpi.wi.gov or 608-267-9228.

Troubleshooting and DPI Contacts

1. **If the password is forgotten**: Contact the DPI Federal Aids and Audit Section (FAAS) for assistance: Jacque Jordee at 608-267-9134 or jacqueline.jordee@dpi.wi.gov.

2. **To change the password**: Contact the DPI Federal Aids and Audit Section (FAAS) for assistance: Jacque Jordee at 608-267-9134 or jacqueline.jordee@dpi.wi.gov. Changing this password will change the password for all related child nutrition applications, including claims for reimbursement, ordering commodities, contract access, etc. If the agency’s password is changed, be sure to notify other staff in the agency that need to use those functions of the new password.

3. **To return to a prior page/screen**, click on one of the links at the bottom of the screen. The name of the link will indicate the screen. These links are in a horizontal row at the bottom of the screen and are a different color than the regular printing on the entry pages.

   **If the “Back” icon** at the top of the screen is clicked, the data will **not be saved** from the current screen.

4. **To print the contract, each screen** will need to printed, either as each screen is completed or by logging in again and going through and printing each screen. Remember to print the School Specific Schedule “A” and any School Specific Policy Statements. As a reminder, with each log-in, it will be necessary to click “continue” or “submit” at each page, through the whole contract, even when changes are not made. Every log-in must be followed by submitting the contract.

5. **Exiting the program**: To exit the contract system, click the “Logout” button. This button is part of the blue bar at the top of the screen, on the far right.

6. **Prior to contacting DPI** with questions related to data entry of the contract, please be prepared to answer the following questions:
   a. What is the agency code?
   b. What information is being entered? *(Example: “My PLE Tool”)*
   c. What screen is being viewed? *(Example: “Screen 4 – the log in page”, or “Screen 8 – the Paid Lunch Equity Upload page”)*
   d. What page/s in this manual is referenced? **Page numbers are listed at the bottom-center of each manual page.**
   e. Be sure to have the manual available, so that the answer to the question can be noted in the manual for future reference.

7. **Making changes to the contract**: the online contract can be accessed and updated at any time (unless it is currently open and being reviewed by a DPI consultant).

Remember to click the “Continue” or “Save” button at the bottom of each screen, and to submit the contract at the end of the process to ensure that the updates will be sent to the School Nutrition Team for approval.
