

Farm to School (F2S) 2021 Updates

Wisconsin Local Foods Database

Check out the NEW [Wisconsin Local Foods Database](#), created by the DPI AmeriCorps F2S members. This database can assist schools with finding local food producers who sell to schools and agricultural educators who are willing to speak with students.

Something Special from Wisconsin

[Something Special from Wisconsin](#) is a collection of local producers in Wisconsin. Search the directory or look for the logo on products to find a local producer in your area!

Great Lakes Great Apple Crunch

Registration is open for the [2021 Great Lakes Great Apple Crunch](#) on Thursday, October 14th! Celebrate National F2S Month (October) by collectively purchasing and crunching into locally grown apples. Register your school to help meet our region's goal of ONE MILLION crunches!

Wisconsin Harvest of the Month

[WI Harvest of the Month](#) is a statewide campaign that encourages kids and families to eat more fruits and vegetables! [WI Harvest of the Month](#) offers a variety of FREE materials for school promotion.
