

Wisconsin Department of Public Instruction Introduces

Interested in enhancing or advancing
your career in school nutrition?

GOALS is your resource!

Access training resources online that meet USDA Professional Standards at little or no cost.

Meet USDA Professional Standards regulations for every school nutrition staff level whether you are a director, manager, or staff member.

Utilize tracking tools and learn best practices on the GOALS website.

Earn a GOALS *Certificate of Excellence*, signed by Tony Evers, Wisconsin State Superintendent of Public Instruction.

Be recognized for the critical role you play in student success by preparing and serving nourishing meals to Wisconsin students so they are ready to learn.
