

The Commodity Allocation and Receipt Summary (CARS) report for your School Food Authority (SFA) is now available in the online [Wisconsin USDA Foods Ordering System](#). This summary shows the USDA Foods received by your SFA, the value of the items, and the percentage of your entitlement received.

At the bottom of the report, the amount next to the line, “*Total Value Received: Entitlement, Bonus, DoD, UNPFV, and Raw Product*” is the total value of USDA Foods your SFA has received for SY 2021-22. This amount is what your SFA may need for year-end reports.
