From: Jill K. Underly, PhD, State Superintendent
Subject: National School Breakfast Week – March 6-10, 2023

I am pleased to present the proclamation recognizing March 6-10, 2023, as National School Breakfast Week (NSBW). This proclamation recognizes the significant contributions of school nutrition staff and the importance of a nutritious, well-balanced school breakfast to the health, well-being, and the education of children. The School Breakfast Program is important to ensuring that every child, every day, is ready to learn.

The proclamation may be used in conjunction with other activities to promote School Breakfast Week and can be accessed at the Department of Public Instruction website on the [School Nutrition School Breakfast Program](#) webpage. You may also visit the [School Nutrition Association's NSBW](#) website for ideas for how to celebrate.
