

Date: Monday, May 23, 2022

To: Authorized Representatives of Private School Food Authorities (SFAs) Participating in the National School Lunch (NSL), School Breakfast (SB), Severe Needs School Breakfast (SBSEVERE), Elderly Nutrition Improvement (EN), and/or Wisconsin School Day Milk (WSDMP) Programs

From: Jacqueline Jordee, Accountant
School Financial Services

Subject: 2022 School Nutrition State Aid Payment

Annual State Match Payments

SFAs participating in NSLP and SB or SBSEVERE receive an annual state match payment. The state aid match payments have been processed for school year (SY) 2020-21. The Electronic Funds Transfer (EFT) is recorded on the [STAR Aids Register](#). The effective date is May 23, 2022.

NSL

This state aid payment is deposited in your SFA's nonprofit school food service account. The deposit should be reported as "School Food Revenue" in the NSL row of your food service annual financial report at the end of SY 2021-22. The state payment is the product of the number of student lunches served by your school during SY 2020-21, multiplied by the computed per meal matching rate. This year, the statewide average payment per meal is \$0.17378532. This amount is substantially higher than previous years because many SFA's opted into the USDA COVID-19 waiver to operate the Summer Food Service Program (SFSP) during SY 2020-21 which decreased participation in NSL and allowed for a higher per-meal matching rate. The NSL state aid payment will be listed under "STATE SCHOOL LUNCH AID" and described as MATCH in the [STAR Aids Register](#). Statutory authority for this state matching aid can be found under s. 115.34(2).

SB and SBSEVERE

This state aid payment is deposited in your SFA's nonprofit school food service account. The deposit should be reported as "School Food Revenue" in the SB and SBSEVERE row of your food service annual financial report at the end of SY 2021-22. Due to COVID-19, there was less participation in the breakfast program, so there was no need to prorate this year's payments and you have received \$0.15 outlined in Wisconsin State Statutes, The amount received was determined by multiplying \$0.15 by the total number of school breakfasts your school claimed for reimbursement during SY 2020-21. The SB and SBSEVERE state aid payment will be listed under "SCHOOL BREAKFAST PROGRAM" and described as SSBA in the [STAR Aids Register](#). Statutory authority for this state matching aid can be found under s. 115.341.

Annual State Aid Payments

SFAs participating in EN and WSDMP receive an annual state aid payment. The state aid payments have been processed for SY 2020-21. The ETF is recorded on the [Aids Register](#), and the effective date is May 23, 2022.

EN

This payment is deposited in your SFA's nonprofit school food service account. This deposit should be reported as "School Food Revenue" in the EN row of your food service annual financial report at the end of SY 2021-22. This state aid payment is made on the basis of your June 1, 2021 EN claim submitted for SY 2020-21. The EN state aid payment will be listed under "NUTRITION IMPROVEMENT ELDERLY" and described as EN in the [STAR Aids Register](#). Statutory authority for this state aid payment can be found under s. 115.345 and provides for a payment rate of 15 percent of your reported per meal cost, or \$0.50 per meal, whichever is **lower**. There was no need to prorate this year's payment.

WSDMP

This payment is deposited in your SFA's nonprofit school food service account. The deposit should be reported as "School Food Revenue" in the WSDMP row of your food service annual financial report at the end of SY 2021-22. This state aid payment is made on the basis of your June 1, 2021 WSDMP claim submitted for SY 2020-21. It was not necessary to prorate this payment and you have received the amount submitted on your WSDMP claim. The WSDMP state aid payment will be listed under "WISCONSIN SCHOOL DAY MILK PROGRAM" and described as WMMP in the [STAR Aids Register](#). Statutory authority for this state aid payment can be found under s. 115.343.
