

School Breakfast Menus on the Web

Schools of all sizes and locations throughout Wisconsin are providing breakfast every day!

Want some ideas from schools that are already planning breakfast menus? Many schools have their breakfast menus posted on the school website. The following list will help you find ideas from other schools in your size or region. In addition to the menu posted on the website, many schools provide other valuable information about their School Nutrition Programs to help their students and parents understand the programs. Look closely, as breakfast menus are sometimes posted under "lunch menus".

Note: These menus have not been reviewed by the DPI and are not guaranteed to be in compliance with meal pattern requirements.
