

SCHOOL NUTRITION TEAM - Wisconsin Department of Public Instruction - School Nutrition Bulletin #1, August 23, 2016

Welcome to the Wisconsin Department of Public Instruction (DPI) School Nutrition Team's (SNT) email distribution list.

As the Authorized Representative or Food Service Director for your School Food Authority (SFA), you have been automatically signed up to receive our electronic messages through our distribution list. Please feel free to invite others within your SFA to join. We are hoping to move toward being paperless by January 2017. Please contact us if this is an issue for your SFA.

We want to be able to reach everyone that needs to see our important information in a timely fashion. We will be using the email distribution list to provide you with quick access to valuable information provided in USDA guidance memorandums and other important DPI SNT information. This will eventually take the place of the paper DPI SNT memos and likely most other mailings from us as well. We will also be sharing our social media links and program promotion campaign information.

You can expect to see a message from us on the 2nd and 4th Tuesdays of the month. We may need to send messages more often if there is something of great importance that needs to be communicated, but we will send out something at least twice a month. Past School Nutrition Bulletins will be posted on our website on our team communication page located at <http://dpi.wi.gov/school-nutrition/school-nutrition-team-communication>. Attached is the SY 2016-17 Back to School Memo from the SNT.

[Back to School Memorandum for School Year \(SY\) 2016-17 DPI SNT, 08/23/16](#)
