## School Nutrition Skills Development Courses

The Department of Public Instruction School Nutrition Team (SNT) provides free annual training to keep your team informed about program requirements and to help you overcome the challenges of providing healthy meals for Wisconsin students. On-going training ensures that the minimum requirements for participation in the federal child nutrition programs are understood and allows your staff to further enhance quality programs for your students. Below you will find the dates and locations where the SNT is offering courses and a list of the topics planned. Course descriptions are also enclosed. A number of new courses have been added this year and others have been revamped to ensure a positive learning experience. Be sure to take advantage of this valuable training opportunity!
