New Agencies

If you do not have a six-digit agency code provided by the School Nutrition Team at DPI, and this is your first time entering a contract for School Nutrition Programs, please follow these instructions:

1. New agencies will be contacted by a DPI School Nutrition Team Program Consultants and provided a *temporary* agency code and a *temporary* password. (If you are not contacted, see the last page of this manual for contact information).
2. Follow the instructions in the rest of this manual. Use this temporary agency code and the temporary password to log-in.

Special notes for new agencies:

- a. For **Schedule A**, you will need to enter *all* schools in your School Food Authority (SFA), including any that do not operate the Special Milk Program but are listed as schools in the Wisconsin School Directory.
 - b. If you are a private SFA, or a Residential Child Care Institution (RCCI), you will need to complete the **Federal Awards Expended** screen. You will need to know the amount of federal funding you have received under various programs. If you have nothing to report, please enter zeroes (0) to continue.
 - c. If you have questions while entering your contract for the first time, please call the School Nutrition Team at 608-267-9228 and ask for your Nutrition Program Consultant.
3. If you need to make changes to your contract between the time that you enter it and the time that a consultant begins to approve it, you may continue to access the site using your temporary agency code and temporary password. Once the consultant starts reviewing your contract, you will not be able to make any changes until it is approved.
 4. Once your contract is approved, you will receive an email notification with a *permanent* agency code and a *permanent* password. At that point, you will **no longer** be able to use the temporary log-in information. Using your *permanent* log-in information, you will be able to access the site and view or modify your contract at any time.

Note to All Agencies

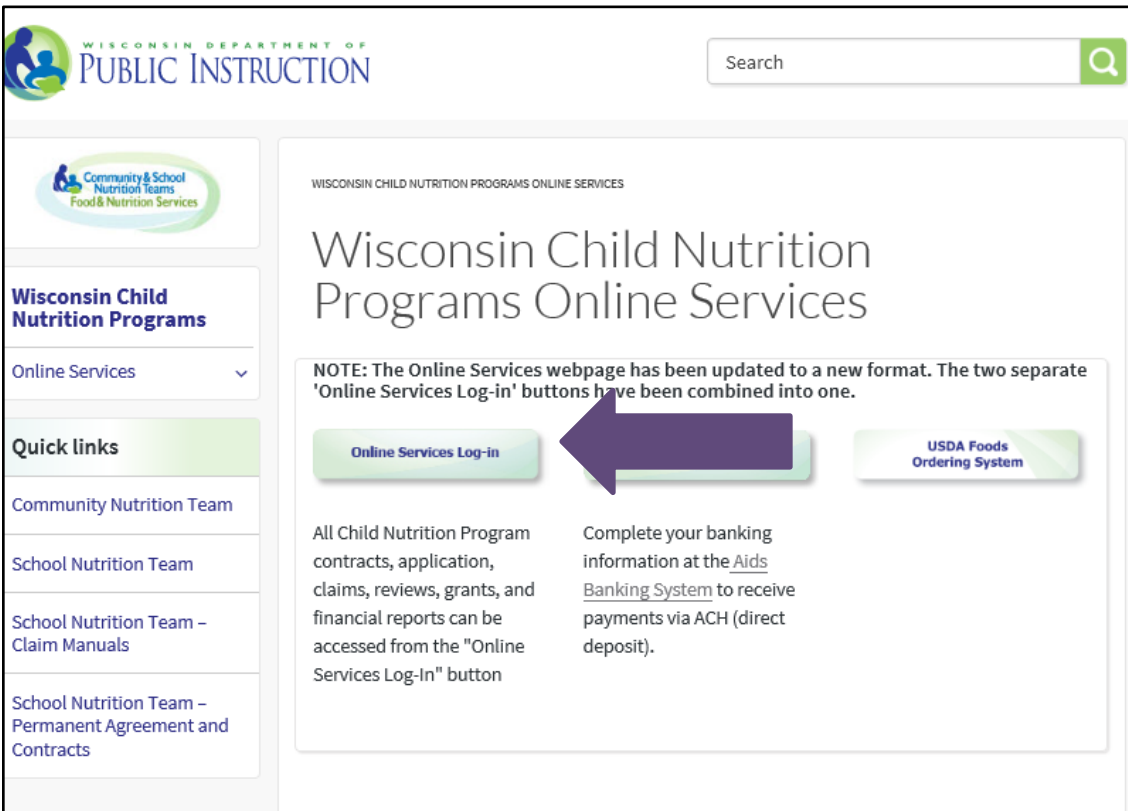

Prior to completing your online contract, read through the [Permanent Agreement/Policy Statement for the Special Milk Program-School Agencies](#). Under the section titled “The School Food Authority Agrees to”, it is important to note number 12, which refers to FNS Instruction 113-1 *Civil Rights Compliance and Enforcement-Nutrition Programs and Activities*, which requires annual civil rights training and completion of the compliance form.
