

Madison Area Science Technology & Engineering Rising Stars

at the
University of Wisconsin-Madison
Engineering Centers Building (1550 Engineering Drive, Madison, WI)
Sunday, May 3, 2020; 1:00 to 4:00 pm

Middle School students* (grades 6, 7, and 8) from Madison and the surrounding area are invited to participate in the MASTERS Science Fair where students can display their talents and interests in science and technology by means of:

- Poster
- Diorama
- Model
- Computer program
- Design/Drawing

Interested students should register by completing an on-line registration form available at:

<https://dpi.wi.gov/science/science-fairs/MASTERS>

Trophies for top-three entries and medals and pizza for ALL participants

Registration Deadline: April 15

*Grade 5 students are eligible if they are attending a middle school along with grades 6 through 8 students.

Supported by: Capital Science & Engineering Fair, Madison Metropolitan School District, Local area middle schools, Wisconsin Department of Public Instruction, and University of Wisconsin-Madison
