Application Eligibility Determination

The parent/guardians must show you the following documentation:

1. Open enrollment denial letter(s) from all school districts that denied the student's appeal.
2. Letters from the department affirming an open enrollment denial for all school districts where the DPI affirmed the school district's decision for any identified in the Open Enrollment Application Denial section.

Open Enrollment Denial Verification

I have reviewed the above and attest that the applicant was denied from open enrolling to all school districts they applied for one of the denial reasons that qualifies a student for the SNSP. Further, if they appealed the decision, the denial was affirmed by the department. All open enrollment denial documentation is on file at the school.

Residency Verification

The parent/guardian must provide one of the allowed residency documents that includes:

1. A parent or guardian's name on the application;
2. The address on the application;
3. A date that meets the SNSP requirements.

I have obtained one of the allowed residency support documents that match all of the requirements above.

I attest that the address is located in the .

Documentation Verification

I have verified that the student is eligible for SNSP, pending verification of the student's individualized education program or services plan, based upon the information provided.

You must click the "Submit" button to ensure DPI receives your data. Once submitted, you will have the opportunity to print and/or email a copy of the form. You should print a copy of the form for your records. It is recommended that you also email a copy of the form to yourself for future reference. The emailed copy of the form will be sent from DPI Forms Management.
