

# Community of Practice: Supporting Students with IEPs During COVID-19

The WI DPI Special Education Team is offering a Community of Practice for professionals who are supporting students with IEPs. The purposes of these meetings are to provide ongoing guidance from DPI as well as opportunities for participants to collaborate, share ideas and resources. Upcoming topics will be based on participant feedback.

## Goals:

- Stay connected
- Collaboratively share ideas
- Listen and explore concerns
- Seek answers to questions
- Support students with IEPs

## To Register for Events:

Click on the date of the event and follow directions to register.

Questions?

Please contact the Special  
Education Team
