**Session Objectives**

Participants will:

- become familiar with the RDA: PCSA vs Indicator 8 Comparison Crosswalk document
- learn how matching the school's efforts to document services along with documenting the engagement of families is possible
- understand how aligning the family engagement survey to PCSA components allows the school district to better prepare for fulfilling the expectations of quality services

### How Can School Districts Use The RDA: PCSA & Indicator 8 Comparison?

- The Indicator 8 Survey is NOT done in isolation, but can be used in conjunction with the RDA: PCSA.
  - Can inform the RDA: PCSA Process
- Additional data for consideration in Family Engagement Planning
  - PD for staff
  - Changes in practices & procedures

---

---

---

---

---

---

---

---

6

### PCSA & Indicator 8 Comparison Document Example

PCSA Standard IEP-13: If the student has a disability related need affecting reading, the statement of supplementary aids and services designed to address the need must be stated in a manner appropriate to the service and must include anticipated frequency, including the amount.

### RDA: PCSA Standard IEP-13 links to...

- **Indicator 8 Statements:**
  - 10. In IEP meetings, we discuss different options for my child's special education services.
  - 13. In IEP meetings, we discuss how accommodations or modifications will help my child.
  - 14. School staff clearly explain when and where my child will receive special education services and supports.
  - 21. My child receives the services, accommodations, modifications, and supports that are written into their IEP.

### Strategies & Resources to improve PCSA IEP-13 and Indicator 8 statements 10, 13, 14, and 21

- Resources:**
- a. DPI Information Update Bulletin 10.07 - Describing Special Education, Related Services, Supplementary Aids and Supports, and Program Modifications and Supports for School Staff - <https://dpi.wi.gov/sped/laws-procedures-bulletins/bulletins10-07>
  - b. Center for Technology & Disability: <http://ctsd4teachers.com/>
  - c. [Additude Magazine 40 Winning Accommodations for Students with ADHD or SLD](#): [additude.org](#)
  - d. PACER School Accommodations & Modifications: Parent & Child Checklist - [Accommodations & Modifications](#)
  - e. [Accommodations and Modifications for Students with Disabilities](#) by [IEC&C.org](#)

- Strategy/Activity to Address**
- a. Spend some time reviewing the "individualized" aspect of the IEP.
  - b. Discuss the concerns and goals. Suggest different approaches or options for addressing them.
  - c. Consider both family and staff expertise to find the best option for the student.
  - d. Clarify the differences between accommodations and modifications and discuss what would be appropriate for the child.
  - e. Seek information from families about accommodations or modifications that might already work for the student in home and community settings. Use the [Family Student Involvement](#).
  - f. Use the [CCK IEP discussion tool](#) question - "What aids, services, supports, and accommodations does the family/student feel are most helpful/why?"
  - g. Communicate with families about the level of services their child is receiving on a regular basis throughout the school year.
  - h. Create an example of the IEP and review it with families to ensure they fully understand the IEP process.
  - i. Allow families to tour the school to see where services will be provided, highlighting relevant supports the student would be using.
  - j. Ask families what and where they think services are needed in order for their child to be successful.
  - k. Provide a copy of the daily and/or weekly class schedule with times and places clearly indicated, including transitions and unstructured times.

## Crosswalk -> PCSA Preparation

**ANNUAL IEPs - compliance statements 11, 17**  
**IMPLEMENTATION - compliance statement 4**

If there is a need affecting reading, each annual goal ... includes a statement of how the student's progress toward achieving the goal will be measured.

The IEP team must meet to review the student's IEP periodically ... to determine whether the annual goals for the student are being achieved and to revise the IEP as appropriate to address any lack of expected progress toward the annual goals and in gen ed.

Periodic reports are provided to parents as specified in the IEP on the progress the student is making toward meeting each goal.

**Progress Reports accountability:**

**Consistent format**  
**Consistent delivery**  
**Documentation**
