

# Reframing Our Understanding of African American English

Dr. Megan-Brette Hamilton, Ph.D.,  
Auburn University

Speech/Language Collaborative Support Meeting

**Friday, May 8, 2020**  
**9:00 am – 12:00pm**

## Overview of meeting:

- Dr. Hamilton will challenge views on identity by illustrating the role that language plays in the cultural identity of speakers of African American English (AAE).
- Using case studies, participants will apply positive descriptions of AAE to assessment, diagnosis, and treatment of individuals who use AAE.
