

# STATE PERSONNEL DEVELOPMENT GRANT (SPDG)

## Institutions of Higher Education/ Leadership Team

### MISSION

The IHE Leadership Team:

- promotes a continuum of professional learning for educators encompassing preservice, in-service and continuing education
- supports and coordinates research related to innovative practices that aligns with SPDG objectives to address inequities for students with disabilities
- communicates to a broad audience of stakeholders, both statewide and nationally

### VISION

The IHE Leadership Team:

- engages educators from Institutions of Higher Education (IHE), Local Education Agencies (LEA), Department of Public Instruction (DPI), and community partners with the intent of developing and implementing innovative practices and approaches, advancing the ability of educators to provide inclusive and equitable education for all learners.
