

## 22-23 New School Social Work Resource Sharing Sessions

This is an opportunity geared towards individuals new or fairly new, to the field of school social work - all school social workers are welcome. Drop in to chat about resources available through DPI, ask practice questions, and get support from the state's school social work consultant. General session topics are provided, however discussions may stray from the topic. This is not a training and does not supplant coursework from a university program, but instead it is another place to ask questions and learn about state and national resources. **Time: 11:30-12:30pm**
