

Because every student should have street smarts.

Get all of your school's traffic safety resources
at AAA.com/Educator.

Visit [AAA.com/Educator](https://www.aaa.com/Educator) today for free K-12 traffic safety lesson plans.

For over 100 years, traffic safety has been at the heart of everything AAA does. That's why we offer educators a valuable online resource that helps teach K-12 students the importance of safety and injury prevention in and around traffic.

You and your school have access to:

- Easy-to-follow lesson plans with answer keys
- Student worksheets in a fillable PDF format for ease of sharing
- Supplemental videos for many of the topics

For additional traffic safety information, visit [AAA.com/Safety](https://www.aaa.com/Safety).
