

## Session 1 - Standards and Associations; SSW Resources

- [WI Content Guidelines for School Social Work Programs](#)
  - These guidelines provide the knowledge and skill, or the competencies, school social work students must demonstrate in order to be approved for endorsement for a school social work license.
- [WI Pupil Service Standards](#)
  - To receive a license in a pupil services category under s. PI 34.31, an applicant shall complete an approved program and demonstrate proficient performance in the knowledge, skills and dispositions under these standards.
- [Wisconsin School Social Worker Evaluation Framework](#)
  - The Wisconsin Pupil Services Evaluation System is an optional professional evaluation system for school social workers (and the other three pupil services professions of school counseling, nursing, and psychology). It is parallel in format and rigor to the Wisconsin Educator Effectiveness System.
- [NASW Standards for School Social Work Services & NASW School Social Work Resources](#)
  - School social work is a complex and specialized field of practice that is affected by changes in education policy, research, and practice models that continue to evolve. NASW periodically revises the NASW Standards for School Social Work Services to meet the changing needs of school social workers, the clients they serve, and local education agencies. NASW has revised these standards to reflect the values of our profession and current practice trends.
- [SSWAA National Model](#)
  - Outlines the general framework within which School Social Work services should be provided.
  - Describes the skills sets and services needed for the delivery of high quality school social work services in schools
- [SSWAA Listing of Resources on the Ethical Guidelines for School Social Work](#)
  - [Supplemental Ethical Standards for School Social Workers](#)
    - These supplemental ethical standards build on the values, principles, and ethical standards articulated in the NASW Code of Ethics. They 1) specifically address issues critical to school social work practice but not addressed in the NASW Code of Ethics, and 2) are in addition to and do not in any way supplant the NASW Code of Ethics.
  - [Changes to the NASW Code of Ethics \(effective Jan. 1, 2018\)](#)
  - [School Social Work and the Privacy of Minors](#)
  - [School Social Work in Host Settings](#)
  - [School Social Work and Group Work](#)
  - [Minor Students' Rights to Confidentiality, Self-Determination, and Informed Consent in Wisconsin](#)
- [June 2021 Revisions to the Code of Ethics Article, NASW Code of Ethics](#)
- [NASW, ASW B, CSW E, & CSWA Standards for Technology in Social Work Practice](#)

## Session 1 - Standards and Associations; SSW Resources

- NASW partnered with ASWB, CSWE, and CSWA to develop a uniform set of technology standards for professional social workers to use as a guide in their practice.
- [SSWAA Resolution Statements](#)
  - Over the years, SSWAA has developed numerous Resolution Statements to address issues of importance to School Social Workers at the local, state and national levels.

### Professional Associations

**Code of Ethics 5.01(c)** Social workers should contribute time and professional expertise to activities that promote respect for the value, integrity, and competence of the social work profession. These activities may include...participation in their professional organizations.

#### Wisconsin School Social Worker Evaluation Framework

IV.3 Professionalism:

- Proficient - Maintains membership in a professional association
- Distinguished - Holds office in a professional association

#### [Wisconsin School Social Worker Association](#) (WSSWA)

- Connecting and serving practitioners as they care for students, families and schools.

#### [School Social Work Association of America](#) (SSWAA)

- The School Social Work Association of America empowers school social workers and promotes the profession to enhance the social and emotional growth and academic outcomes of all students nationally and globally.

#### [American Council for School Social Work](#) (ACSSW)

- ACSSW advocates for the practice of school social work and supports school social workers in their service to students, schools, and families to overcome social, systemic, economic and mental health barriers to student learning.

#### [National Association of Social Work \(NASW\) - School Social Work Section](#)

- We are social workers committed to improving the educational success and the social and emotional development of all students.
