

Safe and Supportive Schools (S3) Annotated Description of Trainings Offered 2012-2013

Training	Dates Offered	More information/Link
<p>Building Skills for Health Literacy The Building Skills for Health Literacy training explores strategies for teaching and assessing for the skills of the health education standards. Participants will explore skill-based units of instruction in health content areas such as tobacco, human sexuality, nutrition, and alcohol, and other drugs.</p>	10/12-Rice Lake 10/18-Madison 10/30-Green Bay	http://www.dpi.wi.gov/sspw/tobaccoprogram.html
<p>GSAFE-Safe Zone and Supporting GSA's U.S. Secretary of Education Arne Duncan and the Center for Disease Control have both identified creating and supporting Gay-Straight Alliances (GSAs) as a key step schools can take to improve the climate for LGBTQ youth in schools. Educators will learn and practice skills to directly support LGBTQ youth in a variety of situations.</p>	1/22/2013-South TBD 4/23/2013-North-TBD	http://www.gsafewi.org/
<p>Link Crew A three day intensive training for staff who will be facilitating the development of upper classman to support freshman transition via "Link Crews". Materials for an orientation day and follow up lessons included.</p>	3/3-6/2012-Wisconsin Dells	http://www.boomerangproject.com/high-school-transition
<p>Motivational Interviewing Learn the techniques to implement this student centered, evidence based counseling method for addressing the common problem of ambivalence about change. Follow-up half day includes assessment of practice of the technique.</p>	11/13 & 11/27-North TBD 1/29/2013 & 2/12/2013-Janesville SD	http://www.motivationalinterview.org/
<p>PREPaRE-School Crisis Prevention and Intervention The PREPaRE curriculum has been developed by the National Association of School Psychologists (NASP) as part of NASP's decade-long leadership in providing evidence-based resources and consultation related to school crisis prevention and response.</p>	2/20/2013-Wausau	http://www.nasponline.org/prepare/index.aspx
<p>Restorative Practices and Circles In schools, the use of restorative practices has been shown to reliably reduce misbehavior, bullying, violence and crime among students and improve the overall climate for learning. Circles is the method utilized most often by schools implementing Restorative Practices.</p>	1/15/2013-Intro to Restorative Practices 1/16/2013-Using Circles Effectively	http://www.iirp.edu/prof-dev-detail.php?eventid=NTK
<p>Suicide Prevention The workshop helps participants understand the scope of youth suicide and what schools can do to reduce suicidal acts and thoughts among students. Participants learn about the prevalence of youth suicide, risk and protective factors, comprehensive prevention programs, and crisis intervention.</p>	2/22/2013-CESA 1	http://www.dpi.wi.gov/sspw/spworkshop.html

To register for any of these trainings go to <http://www.dpi.wi.gov/sspw/s3.html> and scroll down to "Professional Development"
