# With Registered Apprenticeship you receive:

## A paycheck

From day one, you will earn a paycheck guaranteed to increase over time as you learn new skills.

## Hands-on career training

As an apprentice, you will receive practical on-the-job learning in a wide selection of programs, such as health care, construction, technology, manufacturing and service careers.

## An education

You'll receive hands-on training and have the potential to earn college credit, even an associate or bachelor's degree, in many cases paid for by your employer.

## A career

Once you complete your apprenticeship, you will be on your way to a successful long-term career with competitive wages, and little or no educational debt.

## National industry certification

Upon completion of your apprenticeship program, you'll receive a nationally recognized completion certification and can take your certification anywhere in the U.S.

## Recognizable partners

Many of the nation's most recognizable companies, such as Quad Graphics, MillerCoors, Manitowoc Crane and Johnson Controls, have Registered Apprenticeship programs in Wisconsin.
