

Wisconsin Title IV, Part A: LEA Use of Funds: School Year 2022-23

Federal reporting requirements outlined under §8303 of the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA) requires the Wisconsin Department of Public Instruction to provide a public report of Title IV, Part A funds expended (spent) during Federal FY 22*. This report provides a summary of claims by program type from July 1, 2022-June 30, 2023 and includes carryover amounts from Federal FY21**. There were no approved federal program waivers in FY 22. This report includes equitable services for private schools.

*The Wisconsin DPI tracks expenditure detail by school year and not federal fiscal award. WDPI operates on a first in, first out system to ensure compliance with Tydings and carryover requirements. An overhaul of DPI's internal procedures and major IT development would be necessary in order to track expenditure details to a specific federal fiscal award. This report identifies the amount of funds an LEA used within each of the Title IV-A program types within a specific school year.

**Programming was added to WISEgrants in 2021-22 that allows for claim amounts to be reported by Title IV, Part A program type.

***LEA transferred some or all Title IV-A funds. SMARTIE goal is N/A for full transfers.

****Data is generated from the 2022-23 end-of-year report.
