

Release Notes for 02/17/2021 WISEid/WISEstaff Production Release

Feature Title	Notes
WISEstaff: Reposition expiring license widget and remove blank loading tab	Fixed page alignment on the Data Quality Dashboard of the Expiring License widget when the Acknowledged Missing Entity ID widget is displayed. Also removed the blank tab when generating the staff license download
WISEstaff: Expired licenses showing in Active License section on Edit Staff	Fixed Edit Staff / Licensing Information for cases where a license was expired but showing as active under the View Active Licenses.
WISEstaff: Update Audit Results page information section	Updated the text on the Reports / Audit Results to reference the new Expiring License widget on the Data Quality Dashboard. "To find staff license expiration dates: Click the 'Expiring Staff Licenses' widget on the Data Quality Dashboard to view a list of staff licenses expiring during the current school year. Or, download a full list of all staff license details, including expiration dates, on the Licensing Download page, accessible from the Manage Staff Data menu".
WISEstaff: Load data for Public Inequitable Distribution of Teacher Report	Loaded 19-20 data to the Public Inequitable Distribution of Teacher Report.
