

**Release Notes for 4/4/2019 WISEid/WISEstaff
Production Release
(Core Apps Team Sprint 182 2-Week Work Cycle)**

| Feature Title | Notes |
|---|---|
| WISEstaff: Hotfix--CESA change to snapshot logic for defaulting grades | We adjusted the snapshot logic that was defaulting all CESA assignments to grade levels of PK - 12. Instead, we snapshot grades reported by the CESA for the specific person and assignment. |
| WISEstaff: Bug Fix--Admin Salary Fringe Report Download works properly. | We fixed the download of the Admin Salary Fringe Report for cases where there are multiple administrator assignments for the same person, so now there will be a row for each of them with the Contract info repeated. |
| WISEstaff: Bug Fix--Deactivated WISEids are no longer being counted for dashboard widgets. | <p>We had an issue where deactivated WISEids were still being counted on the following reports:</p> <ul style="list-style-type: none"> • Hiring Agency Contract Count • Hiring Agency Staff Count • Hiring Agency Assignment FTE sum <p>This issue was resolved to only count active WISEid records.</p> |
| WISEstaff: Added Suffix to name display in multiple reports/lists | <p>We added Suffix to the name display on the following reports, downloads, and pages:</p> <ul style="list-style-type: none"> • WISEstaff / Edit Staff / Assignment (page header) • WISEstaff / Staff List • WISEstaff / Validate Staff Data • WISEstaff / All Staff Report |

| | |
|--|---|
| | <ul style="list-style-type: none"> ● WISEstaff / Data Validation Reports / Admin Salary Fringe Report ● WISEstaff / Salary Report ● WISEstaff / Staff Corrections Form <p>This Suffix addition will ensure consistency and accuracy of names and identification.</p> |
| <p>WISEstaff: Revised Working School list default on Aggregate Staff Report</p> | <p>We adjusted the Aggregate Staff Report to default to All Schools if you don't select a school.</p> |
| <p>WISEstaff: Added/fixed Clear button on reports pages</p> | <p>We added a Clear button to these UI report screens:</p> <ul style="list-style-type: none"> ● WISEstaff / Salary Report ● WISEstaff / FTE Summary Report ● WISEstaff / Data Validation Reports / FTE, Contract Days and Salary Report and Admin Salary Fringe Report ● WISEstaff / Staff List <p>We fixed the Clear button on the following UI Report screens:</p> <ul style="list-style-type: none"> ● All Staff Report ● Staff Corrections Form <p>The enhancements to the reports pages with the Clear button will allow users to save a few minutes of time when needing to remove inaccurate or outdated data quickly.</p> |
| <p>WISEstaff: Added text regarding reports to Audit Page</p> | <p>We added text on the blue bar after "Audit Results" title: "- Reports will be automatically displayed when the audit is completed."</p> |

| | |
|--|--|
| | <p>This note will make it clearer to users exactly when the audit results are ready for review.</p> |
| <p>WISEstaff: Added Total Salary and Fringe to Staff List</p> | <p>We added to the Staff List Totals for Salary and Fringe Benefits for the entire Hiring Agency both on the screen and in the download. This saves users around five minutes in finding totals at-a-glance rather than needing to manually calculate them.</p> |
| <p>WISEstaff: Split out Assignment Code List and Area Name List by number and description</p> | <p>On the Assignment Code list report, we split out the Positions and Areas to have codes as separate columns. This is useful, so users can sort by position/area code or position/area names.</p> |
| <p>WISEstaff: Added logic to Salary Report filter fields to restrict Position options</p> | <p>On the Salary Report when you select a Position Classification, you can now see in the Positions dropdown which positions are part of that classification. This will make data review a little easier and faster for users looking at the Salary reports.</p> |
